How to Register

All students must turn in, or have on file, a completed E-13 Participant Information and Authorization form to register for class. Once completed, E-13 forms are good for one school year. Though classes are held at the school, all paper work must be turned in to Alki Community Center, where you can receive more information about classes, registration, and scholarships.

FIRST CHOICE

Stop by your local community center to register for programs and meet the staff. Staff welcomes face-to-face interaction! Please note hours of operation as they vary across community centers.

SECOND CHOICE

Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

THIRD CHOICE

Call your local community center during our hours of operation at the phone number listed above, or at: seattle.gov/parks/centers.asp. All staff can assist you with registration during operating hours.

An additional \$5 insurance fee will be required when registering for all gymnastics, tumbling, or circus arts classes offered through Seattle Parks and Recreation. This non-refundable fee covers a child's participation in all gymnastics, tumbling, or circus arts classes for one year from the date of purchase. Please contact your local community center to purchase this insurance. **Note:** This insurance will only be utilized if expenses exceed your primary insurance coverage.

What You Need to Know

Registration and Payments:

Registration opens Aug 7. If you have never participated in a Seattle Parks and Recreation sponsored program, please sign up at the community center where they can create an account for your family. Once an account is established, you may call **Alki CC**, stop by, or pay on-line through SPARC. If you register on-line please email the community center coordinator who your child's classroom teacher is and where your child will be going after class. Registration is open for all classes until the day prior to the start of class. **Remember: All students need a Participant Information and Authorization E-13 form prior to participating in any after school classes.**

Scholarship:

To apply for a scholarship, complete and return a scholarship application to the community center. Applications can be found in the **Alki K-5** main office, **Alki CC**, or can be downloaded at bit.ly/sprscholarships. **Scholarship award and co-payment will be determined based on income qualification and fund availability.**

Refund Policy:

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class that is cancelled for any reason will receive a full refund.
- DROPPING A PROGRAM BEFORE THE SECOND SESSION: A participant may be issued a refund if he/she withdraws from a program, and notifies the program coordinator, prior to the second class session. The facility will retain the pro-rated class fee plus a service charge of \$5 or 10% of the fee, whichever is greater.
- DROPPING A PROGRAM AFTER THE SECOND SESSION: If a participant withdraws from a program after the second session of a series, no refund will be given.
- CANCELLATION OF ONE SESSION: In the event of an unplanned cancellation of a single session, that class will be rescheduled, and if it cannot be rescheduled, the participant will receive a refund.
- For full details of the Department's Refund Policy, please see Policy Number 060-P 7.16 under PROGRAM which can be found here: <http://www.seattle.gov/Documents/Departments/ParksAndRecreation/PoliciesPlanning/RefundPolicy.pdf>

OH NO! My class got cancelled!

Most classes require a minimum of 6 participants in order to be financially sustainable. We do our best to avoid cancelling classes. However, classes that do not meet minimum enrollment requirement are cancelled prior to their start date. We do prorate class fees to reflect late registration for classes that meet minimum enrollment requirement prior to their start dates.

PLEASE REGISTER EARLY!

Snack and Clothing:

The After School Enrichment Program will provide a snack for each student. Please send your children with clothing appropriate for their classes.

Behavior:

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would during the formal school day. If an instructor determines this is not the case the following steps will be taken:

- At the first incident, the Program Administrator will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the student will be removed from class.

The program is unable to issue a refund if the student is removed from a class due to a behavioral issue. Please discuss enrollment with your child to be sure they want to attend an after school class.

Picking up Your Child:

Your child must be picked up on time. Our program does not provide childcare after class is over and the playground is not supervised at that time. If your child is picked up late, you will be charged \$1/minute for every minute past your pick up time that you are late. Please call the **Program Administrator** if you are going to be late. Your student can only be picked up by persons listed on the E-13 form.

Absences/Changes:

Please contact the **Program Administrator** as soon as possible with any of the following:

1. Your student will not be attending class (but was at school).
2. Your student was absent from school and will not be attending the After School Program.

Questions/Concerns:

Once a class has begun, if you have any issues or concerns regarding a class, please contact the **Program Administrator**, or email the **Community Center Coordinator**. The **Program Administrator** will be on-site and available during program hours all quarter.

Inclement Weather and City Wide Emergencies:

Please call our CHILD CARE/ENRICHMENT HOTLINE: 206-684-4203, This is a 24-hour line giving information about program closures due to extreme weather or emergencies. It is updated each day by 6 a.m. and as needed.

Nature Arts and Sciences

Nature is the best inspiration for young minds. Your student will be able to foster a deep love for the outdoors by wearing many different explorer hats. Featured subjects will include marine art, geology studies, flower pressing, insect cataloging, and more. Whether the unpredictable Seattle weather cooperates or not, we will do our best to delve as deeply into our outdoor world as possible.

Origami PLUS

You'll be amazed by what can be created out of a simple square of paper! Talented and professional artist Mike Berry will assist your students in working through the skill of ancient paper folding. In addition to classic Origami, we will explore other paper art techniques such as wet folding and portfolio creation.

Outdoor Exploration

Take full advantage of those beautiful end of Summer days! We will focus on the beauty and livability of the great outdoors. Students will learn how to be safe and thrive in the wilderness through activities like orienteering and shelter building. Bring a coat and a water bottle, we will be braving the elements rain or shine and loving every second of it!

Paint by Numeros

Designed as an introduction to both painting skills as well as Spanish, students will have so much fun they won't notice that they're learning a language! Paint by Numeros meets Beginner Spanish in this new class that appeals to those visual learners who may not be quite able to read or write yet. Skilled Spanish instructor Maria Dowell will gauge your individual student's Spanish skill level and tailor her lessons to meet everyone's needs. Come get messy with us in Español!

Pick Your Own Craft Project

Watercolors too messy? Knitting too complicated? Do you have a project that your student has always wanted to master but it just wasn't going to happen in your home? This is the place to send them. They will be given the opportunity to design their own project start to finish. Project management is key; the instructor will help them create a reasonable timeline for the project, budget to be included in class fee, research examples, and a way to showcase at the end. Get ready to get your craft on!

Fall 2018 Class Descriptions A-Z

Recess Games

There's no better way to start a busy week of school than by unwinding on the playground with friends. In this class we strive to organize and establish social emotional development through cooperation, interaction, teamwork, and group games. While we will begin the class with some structured game time, there will also be plenty of time at the end for playing on the Alki Playfield or at Whale Tail Park.

Roller Skating

A skilled ARC instructor will help your child learn to be confident on eight wheels. Great attitudes and a kickin' sound track will make this class feel more like a party! Beginner and advanced roller skate friendly.

Soccer

It seems like every season is Soccer season! Keep your skills fresh whether you play on a team or not. This class will focus on the abilities required to make that pass and score that goal! Drills will build kicking, dribbling, passing, shooting, and goalkeeping skills. Students will rotate through different positions and learn how to play effectively as a team.

Youth Pottery Sessions 1 & 2

Use your hands to turn clay into magical pieces of art. Learn how to sculpt animals—real or imagined—statues, figurines, houses, and maybe even a self portrait! Specific techniques include learning how to pinch, coil, and glaze your kiln fired pottery. Skilled instructor Aaron Murray loves to share his passion for pottery with any willing students, of any age! Plus, there's no better spot than the Alki Bathhouse to act as inspiration for your wild creations.
