This program is made possible through
Seattle Parks and Recreation and the
Associated Recreation Council.

Program Information

Fall Class Session: 9/17-12/20

Program Contact Information

Ravenna-Eckstein Community Center
6535 Ravenna Ave. NE, Seattle, WA 98115
Phone: 206-684-7534

• **Program Administrator: Spencer Johndrew**
Phone: 206-510-5550, Email: spencer.johndrew@seattle.gov

Program Schedule

Wedgwood Elementary K-5 Release: 2:25 p.m. (M, Tu, Th, F), and 1:10 p.m. (Wed)
Check In: 2:25-2:35 p.m. (M, Tu, Th, F), and 1:10-1:20 p.m. (Wed)

- Students report to the cafeteria upon dismissal to be signed in and eat snack.

Session 1: 2:35-3:35 p.m. (M, Tu, Th), 2:35-4:05 p.m. (F), and 1:20-2:50 p.m. (Wed)

- ALL PARENTS of students not enrolled in second session must come to the cafeteria and SIGN OUT their student at 4:05 p.m., or 2:50 p.m. (Wed). **Late fees will be assessed \$1 per minute.**

Session 2: 3:45-4:45 p.m. (M, Tu, Th), 4:05-5:05 p.m. (F) and 3:05-4:35 p.m. (Wed)

- All parents must SIGN OUT their student by 4:45 p.m., or 5:05 p.m. (F), or 4:35 (Wed). **Late fees will be assessed \$1 per minute.**

***There are no after school classes on holidays, no school days, or early dismissal days at the Elementary School. These "No Class" days are figured into the price of each class.**

How to Register

All students must turn in, or have on file, a completed E-13 Participant Information and Authorization form to register for class. Once completed, E-13 forms are good for one school year. Though classes are held at the school, all paper work must be turned in to Ravenna-Eckstein Community Center, where you can receive more information about classes, registration, and scholarships.

FIRST CHOICE

Stop by your local community center to register for programs and meet the staff. Staff welcomes face-to-face interaction! Please note hours of operation as they vary across community centers.

SECOND CHOICE

Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

THIRD CHOICE

Call your local community center during our hours of operation at the phone number listed above, or at: seattle.gov/parks/centers.asp. All staff can assist you with registration during operating hours.

An additional \$5 insurance fee will be required when registering for all gymnastics, tumbling, or circus arts classes offered through Seattle Parks and Recreation. This non-refundable fee covers a child's participation in all gymnastics, tumbling, or circus arts classes for one year from the date of purchase. Please contact your local community center to purchase this insurance. **Note:** This insurance will only be utilized if expenses exceed your primary insurance coverage.

What You Need to Know

Registration and Payments:

Registration opens Aug 7. If you have never participated in a Seattle Parks and Recreation sponsored program, please sign up at the community center where they can create an account for your family. Once an account is established, you may call **Ravenna-Eckstein CC**, stop by, or pay on-line through SPARC. If you register on-line please email the community center coordinator who your child's classroom teacher is and where your child will be going after class. Registration is open for all classes until the day prior to the start of class.

Remember: All students need a Participant Information and Authorization E-13 form prior to participating in any after school classes.

Scholarship:

To apply for a scholarship, complete and return a scholarship application to the community center. Applications can be found in the **Wedgwood** main office, **Ravenna-Eckstein CC**, or can be downloaded at bit.ly/sprscholarships. **Scholarship award and co-payment will be determined based on income qualification and fund availability.**

Refund Policy:

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class that is cancelled for any reason will receive a full refund.
- DROPPING A PROGRAM BEFORE THE SECOND SESSION: A participant may be issued a refund if he/she withdraws from a program, and notifies the program coordinator, prior to the second class session. The facility will retain the pro-rated class fee plus a service charge of \$5 or 10% of the fee, whichever is greater.
- DROPPING A PROGRAM AFTER THE SECOND SESSION: If a participant withdraws from a program after the second session of a series, no refund will be given.
- CANCELLATION OF ONE SESSION: In the event of an unplanned cancellation of a single session, that class will be rescheduled, and if it cannot be rescheduled, the participant will receive a refund.
- For full details of the Department's Refund Policy, please see Policy Number 060-P 7.16 under PROGRAM which can be found here: <http://www.seattle.gov/Documents/Departments/ParksAndRecreation/PoliciesPlanning/RefundPolicy.pdf>

OH NO! My class got cancelled!

Most classes require a minimum of 6 participants in order to be financially sustainable. We do our best to avoid cancelling classes. However, classes that do not meet minimum enrollment requirement are cancelled prior to their start date. We do prorate class fees to reflect late registration for classes that meet minimum enrollment requirement prior to their start dates.

PLEASE REGISTER EARLY!

Snack and Clothing:

The After School Enrichment Program will provide a snack for each student. Please send your children with clothing appropriate for their classes.

Behavior:

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would during the formal school day. If an instructor determines this is not the case the following steps will be taken:

- At the first incident, the Program Administrator will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the student will be removed from class.

The program is unable to issue a refund if the student is removed from a class due to a behavioral issue. Please discuss enrollment with your child to be sure they want to attend an after school class.

Picking up Your Child:

Your child must be picked up on time. Our program does not provide childcare after class is over and the playground is not supervised at that time. If your child is picked up late, you will be charged \$1/minute for every minute past your pick up time that you are late. Please call the **Program Administrator** if you are going to be late. Your student can only be picked up by persons listed on the E-13 form.

Absences/Changes:

Please contact the **Program Administrator** as soon as possible with any of the following:

1. Your student will not be attending class (but was at school).
2. Your student was absent from school and will not be attending the After School Program.

Questions/Concerns:

Once a class has begun, if you have any issues or concerns regarding a class, please contact the **Program Administrator**, or email the **Community Center Coordinator**. The **Program Administrator** will be on-site and available during program hours all quarter.

Inclement Weather and City Wide Emergencies:

Please call our CHILD CARE/ENRICHMENT HOTLINE: 206-684-4203, This is a 24-hour line giving information about program closures due to extreme weather or emergencies. It is updated each day by 6 a.m. and as needed.

Fall 2018 Class Session: 9/17-12/20

The **Wedgwood after-school** Enrichment program is run by Ravenna-Eckstein Community Center in partnership with the Associated Recreation Council. Please stop by or call the community center, at or after noon on the registration date, to register your child for Enrichment classes, or, visit seattle.gov/parks. Please contact your Program Administrator if you have any program questions. Thank you!

Help Wanted!

Are you interested in assisting with an Enrichment class or teaching one of your own? We'd love your help!

Contact Spencer Johndrew for more information

email: spencer.johndrew@seattle.gov, ph: 206-510-5550

Course pricing is based on contractual agreements, number of class days and supply costs.

Fall 2018 Class Descriptions A-Z

After-School Recess & Games

Did you know that recess is more than just fun and games? It is an opportunity for students to pursue their own interests, make decisions, imagine, create, collaborate, problem-solve, socialize, and get physical activity in a fun and relaxing way. This class will provide students with a variety of materials to inspire play. Students are also welcome to bring toys or materials from home that they would like to share with their friends. Provided by ARC Staff.

Art Around the World

Welcome to the world of multicultural art! One of the best ways to understand and appreciate another culture is by studying its arts and crafts. The art you will create in this class was inspired by many different cultures and traditions from around the world. Come create unique works of art while learning about new cultures! Provided by ARC Staff.

Art Explorations

In this Enrichment Explorations class, students will explore different types of art that interest and inspire them! We will provide the students with a variety of art tools to allow them to pursue their artistic interests, such as painting, drawing, sculpting, and crafting among many others. Students will be able to work on their own individual projects or work as a group to promote a passion for the arts! Program provided by ARC Staff.

Art Extravaganza

A beginners Fine Arts survey class that includes painting, drawing, sculpture, collage, canvas, and portrait. This class provides a fun and safe space in which students can express themselves using a variety of artistic styles. Provided by ARC Staff.

Basketball

Our instructors will not only teach your child athletic fundamentals through progressive drills, engaging cardio, and fun games, but we will use these fundamentals as a platform to teach life-skill lessons that reinforce positive attitudes about effort, respect, cooperation, and self-control. Provided by 1-on-1 Basketball.

Colossal Chemistry

Back by popular demand, Colossal Chemistry will introduce kids to fun and exciting science experiments using household items.

Experiments will range from food based activities to natural chemical reactions found in nature. Program provided by ARC Staff.

Comic Makers

Enjoy comic books? If you love to read, draw, write, and want to learn the tricks behind comics and graphic novels, this is the place for you! With the assistance of our talented instructor, students will take their own art and create a comic book and share their own story lines. See your story come to life in your own self-published comic book! Provided by Katie Wheeler.

Drama

Come explore the Dramatic Arts with Wedgwood Drama Studio! This supportive and fun filled class is open to all Wedgwood students grades K-5. Through theater games and exercises, students will explore how actors use their bodies, voices, and imaginations to tell stories and create characters. Whether you are new to the stage or consider yourself a veteran performer there will be something for everyone in this creative class. Provided by Wedgwood Drama.

Enrichment Explorations

In this Enrichment Explorations class, students will be able to engage in a variety of different activities! Whether it is art, sports, science, or quiet time, students will be able to have a choice in the way they want to end their school week. We will have board games, card games, arts and crafts materials, books to read, as well as organized gym and playground games. This class is designed to be a fun place for kids to hang out and prepare for the weekend. Provided by ARC Staff.

Fall 2018 Class Descriptions A-Z

Explorations in Movement

In this Enrichment Explorations class, students will focus on movement-based activities, such as organized games, stretches and conditioning, as well as free-play activities. Getting at least an hour of exercise per day is recommended for people of all ages, and this class provides students a safe place to get their energy out in healthy ways! Program provided by ARC Staff.

Fun with Clay

Get your hands dirty and your creativity rolling while you create several functional objects and sculptures out of clay. We will learn many techniques to create forms with clay including additive and sub-tractive and coil and pinch methods. Add color using under glazes, over glazes, and paint. Make textures, make friends, and make art from clay! All levels are welcome. Program provided by Eva Wright.

Homework & Reading Club

Homework club provides an opportunity for one-on-one homework help for students and tutoring for students who need extra help or additional academic challenges. It is also a great place for students who just need some time to curl up with a book. Provided by ARC Staff.

Indoor Soccer

Futsal is the official form of indoor soccer recognized by FIFA. It's a fast-paced game, played 5-on-5 on a hard-court surface. Futsal emphasizes quick thinking, technique, and foot-skill development. The Wedgwood after school futsal program will focus on organized scrimmage games, skill development, and having fun! Players of all skill levels welcome. Program provided by ARC Staff.

Jewelry Makers

Become a jewelry designer and learn about color, patterns, texture, and shape as we use store bought beads, handmade beads, and other everyday objects to make necklaces, bracelets, earrings, and key rings. Program provided by Amber Daub.

Kids Carpentry

Learn practical woodworking skills, and the safe use of hand tools, while measuring, sawing, drilling, sanding, shaping, fastening, and painting your own fun and exciting projects! Program provided by Kids Carpentry LLC.

Magic the Gathering Club

At the request of the families of Wedgwood, we are excited to be bringing back the Magic the Gathering Club! Kids will be able to play the game they love, with the supervision and assistance of a skilled ARC instructor. Players of all levels are welcome. We will have cards for beginners. Program provided by ARC Staff.

Mixed Martial Arts

Confidence. Respect. Discipline. These basic principles, in combination with physical movement, will guide the class as they learn basic skills of Martial Arts. Join this class to be physically active and feel great about what you are doing! Program provided by ARC Staff.

Math and Engineering

Hands-on activities explore and apply math and design concepts to both math puzzles and engineering problems. Sample activities include cryptography, tangrams, competition math, and building kid-designed towers, bridges, and machines out of every-day materials. Program Provided by UW Professor Margorie Olmstead.

Photography

This photography course will cover aperture, shutter speed, and lighting to capture beautiful photographs. Students will first learn some basic photography skills, then we'll focus on paying attention to one's environment, subject, contrast, and lighting when taking a photo. Students will be encouraged to think intentionally and artistically about the photos that they capture. Provided by ARC Staff.

Fall 2018 Class Descriptions A-Z

Pokémon

At the request of our students, we are excited to offer Pokémon! Kids will be able to play the game they love, with the supervision and assistance of local expert Chris Jones. Players of all levels are welcome. We will have cards for beginners. Program provided by Chris Jones.

RC Power Functions

Have your students learn advanced engineering concepts (torque, gearing, levers, etc.) while they have a blast building remote controlled vehicles and contraptions. In this class students will be paired up and challenged to engineer and build using various LEGO® motors and Technic® parts (often of their own design) to accomplish certain tasks or compete against other teams. This is NOT a free play activity, but a class with actual lessons (regardless of how fun and crazy it is). STEM has never been so much fun. Program provided by Robot U.

Recess Games & Sports

Did you know that recess is more than just fun and games? It is an opportunity for students to pursue their own interests, make decisions, imagine, create, collaborate, problem-solve, socialize, and get physical activity in a fun and relaxing way. This class will provide students with a variety of materials to inspire play. This class will take place outside on the school playground area, and will be supervised by two instructors who can help students with problem-solving and play ideas, as needed. Program provided by ARC Staff.

Scratch Arcade

Students program 10 different arcade style games with a LEGO® air in an introduction to programming and game development. For ages 8 and up, your students will learn how to program their own computer games by recreating the most popular games in history – from the early arcade hits such as Pong and Frogger to videogame blockbusters such as Snake and Tetris. All of which they can share and access anywhere with a free, safe Scratch account from MIT! Provided by Robot U.

Spanish Adventures Class

Learning Spanish is FUN! Not only by listening and speaking it, but experiencing it! Watch, smell, touch and taste the vocabulary lessons. Learn grammar with songs, typical Spanish games, projects and storytelling. All lessons will be taught in a recreational way, letting the child explore the Spanish Language to discover how useful it could be to learn it as kids, and develop it as they grow older. Program provided by Rhya Ramirez.

STEM Explorations

In this Enrichment Explorations class, students will work with their hands to develop and carry out their own experiments with a focus in Science, Technology, Engineering and Mathematics. Students will be able to work with different materials and use their own ideas to create experiments. Have fun making your own STEM experiments individually or in a group setting with only your limit being your imagination! Program provided by ARC Staff.

Stuffie Making

With a cool spin on the Build a Bear workshop, we will explore the world of creating stuffed animals. Students will learn the essentials of sewing and knitting as they craft their Stuffie. This is a great class to build dexterity while developing a love for knitting. Program provided by Yemaya Diethelm.

**Register early so your
child's favorite classes run!**

Classes can be canceled if class
minimums are not met.

Fall 2018 Class Descriptions A-Z

Wedgwood Cooks!

Join us for an exciting culinary experience at Wedgwood! Students will begin by learning the proper safety precautions that go into different types of cooking. They will explore how to prepare and cook food from different cultures, where these types of food originated from, and how they have changed as the culinary arts advance. Each week students will prepare ingredients, learn different seasonings and cooking methods, and learn how to use a variety of kitchen tools. Students get to taste their creation at the end of class. Program provided by Mr. Lorenzo.

WEDO Robotics

Young students learn programming and engineering through building actual working robots with LEGO® WeDo®. In this class, students will pair up to build and program simple robots that use a motor, sensors, and LEGO's® simple to use drag and drop programming software. While fun and sometimes crazy, this is NOT a free play activity, but a class with actual lessons. Provided by Robot U.

World of Machines

As students master the six simple machines using everyday tools, they will move up to building complex machines using Legos and household objects. Students will be able to race and compete while using basic principles of physics. Program provided by Christine Tahhan.

YouTube Pro

Many kids today want to grow up and become "YouTubers", but what does that mean? This class will explore YouTube from all angles including, creating and managing a channel, monetizing accounts, analytics of pages, digital content creation, and more. The kids will end the class with videos and channels they create themselves. Program provided by ARC Staff.

PARENTAL CONSENT, RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT

IN CONSIDERATION of my minor child ("the Minor") being permitted to participate in any way in the EVENT(S), I agree: I know the nature of the EVENT(S) and the Minor's experience and capabilities, and believe the Minor to be qualified to participate in the Event(s). The Minor and I will inspect the premises, facilities, and equipment to be used or with which the Minor may come in contact to ensure it is safe to our satisfaction. I have spoken with the Minor about the dangers of the activities and the fact that the Minor could—for a variety of known, unknown, foreseeable and unforeseeable reasons, **including negligence** of the City of Seattle, its employees and volunteers, officers and agents—be seriously injured. In extreme cases, such injuries could include permanent disability, paralysis or even death ("risks"). Even understanding these risks I consent to the Minor's participation in the Event(s) and assert that the Minor is willing to participate in the event.

I accept and assume all risks, and assume all responsibility for the losses, costs and/or damages following an injury related to the Event(s), including disability, paralysis or death, even if caused in whole or in part by the negligence of the following releasees: the City of Seattle, its employees and volunteers, officers and agents. **My acceptance of these risks includes releasing and agreeing not to sue the releasees. I also agree to indemnify and save and hold harmless the releasees and each of them from any and all litigation expenses, attorney fees, loss, liability, damage, or cost they may incur due to a claim made against any of the releasees identified above based on an injury to the Minor, whether the claim is based on the negligence of the releasees or otherwise and whether the claim is made by me, is made on behalf of the minor, or is otherwise made.**
