OVERVIEW OF SCHOOL-AGE CARE PROGRAMS

WELCOME

Thank you for choosing to enroll your child in our program. Seattle Parks and Recreation (SPR), in partnership with the Associated Recreation Council (ARC), is delighted to have the opportunity to serve you and your child(ren). We serve children ages 5-12 years of age and strive for a low staff to child ratio of 1:10 (school-age).

For school-age programs, we provide children with a safe environment and a wide range of recreational and learning experiences that encourage health and fitness, environmental stewardship, academic enrichment, and life-long success. For school-age children, we offer After-School programs, School Break Camps (Winter, Mid-Winter, and Spring), one-day Professional Day programs, full-day programs during parent/teacher conferences and Summer Day Camps. Our goal is to serve the needs of parents/guardians while addressing the special interests of each child. We do this by offering high quality programs that include arts and crafts, indoor and outdoor active games, homework and literacy time, science, environmental education, personal health and safety talks, cooking and nutrition, and opportunities for participants of all ages to engage with each other. We promote positive social interactions and problem-solving skills which support children in developing relationships and age-appropriate social skills. Our licensed school-age care programs and summer day camps are engaged in an ongoing quality improvement process. The School-Age Program Quality Assessment (SAPQA) Initiative is a nationally recognized research-based process that assesses programs for high quality best practices. Staff receive training and coaching to ensure high standards are met and children's experiences meet their developmental needs.

As a parent or guardian, you play an important role in helping to ensure your child has a positive experience in our program. Please read this Family Handbook so you are aware of our policies and procedures.

There is a tear-out page at the back of the Family Handbook to sign and return to your director.

Please keep this Family Handbook accessible for future reference.

Electronic copies of this Family Handbook can be found on ARC's website at:

Parents are encouraged to add the names of any and all individuals who may bring or pick up a child, even under unusual circumstances. Please contact the community center and/or director to add or remove individuals from the pick-up authorization list.

All authorized individuals must be 14 years or older. When the authorized individuals are between the ages of 14 and 17, the parent/guardian is responsible for assessing the responsibility level and emotional maturity of the authorized person. Additional consideration should be given to the safety of the route to be taken home and whether the younger child listens well and follows directions. Should supervision or safety of the child become an issue, the Seattle Parks and Recreation and School-Age Care staff will meet with the parent to determine the appropriateness of the authorized individual.

UNDER NO CIRCUMSTANCES MAY CHILDREN SIGN THEMSELVES IN OR OUT.

Important Notes:

- If the non-custodial parent attempts to pick up their child and we have a notarized restraining order, we are mandated to call the police.
- If we have a court-ordered Parenting Plan, and a parent requests to pick up the child on a different day, we MUST have authorization from the other parent that it has been mutually agreed upon. Staff cannot negotiate or alter the Parenting Plan.
- For safety reasons, we will not release your child to anyone who appears to be under the influence of alcohol or any other substance. In such circumstances staff will call other adults on the authorized pick-up list.
- If the parent/guardian appears to be under the influence, chooses to leave the premises with the child and will be operating a motor vehicle, staff will call the police immediately.

ALCOHOL TOBACCO, CANNABIS USE AND PROHIBITION OF ILLEGAL DRUGS

The usage or distribution of all alcohol, tobacco, cannabis, and illegal drugs is prohibited. If a parent/guardian is impaired or suspected to be due to drug or alcohol use, we will call someone on their pick-up authorization list or suggest calling a taxi for them. If the parent/guardian chooses to leave with the child and will be operating a motor vehicle, staff will call the police immediately. The incident will also be reported to CPS. An Incident Report will be written.

REPORTING LATENESS/ABSENCES

It is the responsibility of the parent to notify the director when the child will not be in attendance for the day, or any part of the day. If your child will be arriving late or be leaving early on a particular day, please let the director know. You may also leave a voicemail message which will be checked periodically by staff.

LATE PICK-UP POLICY

Children must be picked up by the end of program hours. If you have not picked up your child by end of scheduled program time, you may be assessed a late fee (see *Late Pick-Up Charge* section below) and staff will start calling all contacts listed on the E-13. If your child is left longer than 1 hour after the program is closed and the staff is unable to reach you or emergency contacts, as mandated reporters, we are required to notify CPS and/or the police. Please make sure that emergency contacts listed on the registration form are people who would be willing and available to pick up your child in case of such an emergency or unforeseen lateness. Continued lateness may result in warning letters and your child's removal from the program.

LATE PICK-UP FEE

A Late Pick-Up Fee of \$1 per minute will be charged for participants not picked up by the end of the program. This fee is to be paid at the front desk by cash, credit card or check. Please make sure that emergency contacts listed on your registration form are people who would be available to pick up your child in case of such an emergency or unforeseen lateness.

- School-Age Childcare licensing requirements specify that a sack lunch needs to include a dairy product, a protein food, a bread or grain, and two total servings of fruit or vegetable.

FAMILY INVOLVEMENT

We value and encourage family involvement in our program as an essential part of creating a supportive and enriching environment for all children. There are many ways for you to contribute to your child's program.

- **Special Events:** Attend and participate in site events and activities.
- **Donate:** Support the program with tax-deductible donations. Ask for our wish list.
- **Share Your Talents:** Contribute your skills in areas like music, art, cooking, or tutoring. (**WAC compliance required*)

In certain situations, where concentrated involvement is necessary to provide ADA accommodations, compliance with *Washington Administrative Codes (WAC) for licensed early learning and school-age programs may be required. Extended or multiple visits will also need to adhere to these WAC guidelines to ensure the safety and consistency of our program.

**The WAC specifies that occasional volunteers must comply with sections (a) and (b) and cannot count in the staff-to-child ratio. Occasional volunteers may include, but are not limited to, a parent or guardian helping on a field trip, special guest presenters, or a family or community member assisting with a cultural celebration.*

ACCESS AND VISITATION POLICY

We welcome parents/guardians to visit our programs and participate in their child's learning experience. To ensure a smooth and consistent environment for all our children, it is required that you coordinate your visit with the site director ahead of time. This helps us balance your involvement with the needs of the program, as we strive to minimize disruptions in our classrooms.

Please note that unsupervised access to the program is reserved for parents/guardians only. When visiting, we invite you to engage with your child's activities, while our dedicated staff members lead and facilitate the program to maintain a structured and nurturing environment.

If you wish to join your child on a field trip, we are delighted to have you accompany them. Please be aware that any fees or costs associated with the trip will be your responsibility. You are welcome to transport your child using your private vehicle or public transportation. Should you choose to ride with your child on public transportation, we kindly ask that you sign your child out of the program during this time. For safety and logistical reasons, you will not be able to join the rest of the group on rented buses.

We appreciate your understanding and cooperation as we work together to create a positive experience for all children in our program.

FAMILY/STAFF COMMUNICATION

Communication from ARC may include satisfaction surveys, monthly newsletters, daily informal communication, and program learning objectives. Communications regarding registration are a function of Seattle Parks and Recreation, please contact Community Center staff for any questions or support.

SUPERVISION

Children will always be well supervised by our staff and will be in continuous visual and/or auditory range. Washington State Licensing requires an adult to child ratio of 1:15; however, SPR/ARC strives to maintain 1:10 ratio.

SUPERVISION DURING BATHROOM USE

All staff are required by the Department of Children, Youth, and Families (DCYF) to provide appropriate supervision by keeping children within continuous visual or auditory range, (WAC 110-301-0345). When bathrooms are located outside the dedicated childcare rooms, a staff person will enter the restroom ahead of the child to ensure it is safe before sending participants into the facility. While participants are using the facility, staff will remain within auditory range of the restroom. Staff will also use this practice for public restrooms on field trips. Staff are encouraged to send children to the restroom one at a time to prevent peer to peer abuse.

FIELD TRIP EXPECTATIONS

Supervised groups may travel by school bus, Metro bus, or on foot to local parks, pools, or other points of interest. Field trip attendance lists will be completed in advance and staff/child ratio will be strictly followed during transition periods or while on field trips. All reasonable safety measures will be utilized while on field trips, as the safety and well-being of your child is of utmost importance to us. Parents/guardians will be informed of field trip dates, times, and destinations in advance. We encourage you to reinforce with your children the importance of always following the directions and decisions of staff. On rare occasions and/or due to repetitive behaviors of concern, if staff deems that a child's conduct may seriously endanger his or her safety, or the safety of others, the parent/guardian will be notified, and the child will not be able to participate in the planned activity.

DAILY SCHEDULES AND CURRICULUM OFFERINGS

Each program posts a daily schedule and/or a weekly or activity/curriculum plan on the bulletin board. This gives parents a summary of activities and experiences their child will participant in during program hours.

PHYSICAL ACTIVITY

SPR/ARC follows the guidelines recommended in *Caring for our Children: National Health and Safety Performance Standards*. Supporting healthy behaviors can help reduce childhood obesity. ARC's School-Age Care Physical Activity Policy ensures children are provided at least 20 minutes of moderate to vigorous physical activity for every 3 hours of programming (WAC 110-301-0145). This includes staff led structured activities, running, and developing a variety of gross motor skills. Indoor gyms may be available during inclement weather seasons.

ACADEMIC ENRICHMENT AND SUPPORT

During the school year we provide time and space for homework help, quiet reading, and/or activities which contain a range of learning experiences. We aim to provide at least 30 minutes, Monday through Thursday, for such academic enrichment and support opportunities. If your child needs homework-help on Fridays, please contact your program's director to determine the feasibility of that request. Staff are available to provide homework support but are not responsible for ensuring homework completion and accuracy.

NON-RELIGIOUS INSTRUCTION

SPR and ARC programs celebrate our diversity of cultures and their non-religious traditions. No religious content is included.

LIMITED SCREEN TIME POLICY

Movies are shown no more than once a week during Summer Day Camps. Movies are always optional, and children not interested are offered alternative activities. Childcare licensing requires that screen time be educational, developmentally appropriate and have child-appropriate content (WAC 110-301-0155). Movies that are shown are G-rated. Staff will notify parents two weeks ahead of time with information regarding any PG-rated movie that will be shown. If there are any objections, a G-rated movie will be substituted.

Computer use is monitored and does not exceed 30 minutes increments per day, except for homework assignments. Participants are not allowed to bring electronic devices to the program. If a parent gives a child permission to carry a cell phone, it should be kept in the child's backpack. The participant should ask for permission to use it, and then return it to the backpack. If this policy is not followed, staff will ask the participant to store their cell phone in the childcare office.

APPROPRIATE DRESS

We strive to maintain a safe and welcoming environment for all participants. Each child is expected to:

- Dress appropriately for the temperature and inclement weather.
- Wear sturdy shoes and sandals. All sandals must have straps in the back (no flip flops).
- Refrain from wearing clothing which is inappropriate or offensive.
- Bring an extra set of clothes (for younger children).
- Avoid wearing "wheel" sneakers.
- Bring swimwear and a towel each day during Summer Day Camp.

SELF-TOILETING

Children must be self-toileting/no diapers or training pants (example, pull ups).

VENDING MACHINES

Candy and soda machines located in community centers are off limits to participants during Summer Day Camp program hours. Children will be asked to keep whatever money they may have in their backpack or amongst their personal belongings. Children may buy items from the machines once their parents/guardians have signed them out for the day.

ELECTRONIC DEVICES, TOYS, AND VALUABLES

Cell phones, iPods, and any other electronic devices are not allowed. Please do not allow your child to bring toys and/or valuables to our programs. Our facility and staff will not be held responsible for, nor replace, items that become stolen, lost, or broken.

COVID-19 & RESPIRATORY ILLNESS PROTOCOLS

Program protocols for childcare operations are established to meet guidelines from the Centers for Diseases Control and Prevention (CDC), Washington State Department of Health (DOH) and Public Health Seattle/King County (PHSKC) as it relates to COVID-19.

BEHAVIOR MANAGEMENT AND GUIDANCE

We strive to meet the growing needs of all children by providing a safe space with appropriate guidelines and boundaries designed to support the safety of all our participants.

The staff use indirect ways to guide children:

- We provide clear rules and expectations.
- We give choices.
- We maintain a regular routine.
- We provide a fun, busy activity schedule.

GUIDANCE AND REDIRECTION

As a partner in your child's success, we encourage you to share information with us that may affect your child's behavior. We are committed to working with you in the best interest of your child and the rest of the participants in our care. We do not use or endorse any form of corporal punishment by anyone (including family members). We also do not condone any means of inflicting physical pain such as biting, jerking, shaking, spanking, slapping, hitting, kicking, pulling/dragging, or any other measures (WAC 110-301-0330, WAC 110-301-0331).

To accomplish this, children, parents/guardians, and staff will all be aware of the program rules and behavior expected. We are confident this practice will minimize the need for disciplinary actions.

- Staff will communicate with the child in an effort to identify the problem and possible solutions.
- The child may be redirected to a new activity for a cool down period.
- If the situation persists the parent may be called for immediate pick up.

Should disruptions occur, staff will act as the facilitator and use the following procedures:

We may remove a child from an activity if they are struggling with keeping themselves or others safe, and staff will work with the child in addressing and identifying feelings and emotions they are having. Staff will help to de-escalate the situation, and work with the child to find more appropriate and acceptable ways to communicate their feelings and needs.

If the situation persists:

1. The parent/guardian may be called for immediate pick up. This may also result in suspension of service.
2. In the case of a suspension, or if the situation becomes severe, a parent meeting will be conducted with the parent/guardian, the Director, and a Program Accommodations Manager.
3. Depending on the severity of the situation, a Behavior Support Plan may be implemented.
4. Upon continued occurrences, a follow-up parent meeting will be held to review results of Behavior Support Plan.
5. If services are suspended for 1-5 days, there will be no refund for that day and/or week.
6. We reserve the right to grant exceptions to #1-4 of the above discipline steps in cases involving severe, extenuating and/or exceptional circumstances; examples include behavior that:
 - Hurts another child, either physically or verbally.
 - Hurts himself/herself/themselves.
 - Destroys (non-disposable) property.
 - Creates a one-on-one extended situation with staff, which takes them out of their 1:15 ratio.

COMMUNICATION WITH PARENTS/GUARDIANS

Staff will regularly check in with parents/guardians about their child's engagement, interest, and progress in the program through verbal or written communication. Staff will work to support each child in developing their abilities, talents, skills, and academic work.

ARC uses two forms of written documentation to communicate with parents:

1. **Occurrence Form:** Used to communicate any injuries.
2. **Behavior Notification:** Used to indicate serious/inappropriate behaviors.

A positive behavior reinforcement system will be utilized to promote appropriate behavior. When necessary, this may also come in the form of a Behavior Support Plan.

NO TOLERANCE POLICY

The following will not be tolerated in any of our programs:

- Abusive, harassing, and/or obscene language or gestures.
- Threats of any kind that would intend harm, physical aggression, violent acts, or bullying.
- Weapons of any kind (including toy guns, firearms, sharp objects, and fireworks).
- Offensive or lude conduct.
- Improper exposure.
- Intentionally leaving the supervised area without permission.
- Intentionally damaging or defacing community center or school property.

PHYSICAL RESTRAINT POLICY

Most situations can be diffused without the use of physical restraint. Physical restraint is the last resort and will be used only if the child is posing a serious threat to themselves or others. Staff will do everything possible to de-escalate the situation, including using a soothing calm voice, moving away from the child, removing the child from the situation, and validating the child's feelings. Parents will be notified immediately in the event that physical restraint was necessary (WAC 110-301-0335).

Please Note: Because of the wide range of behaviors that children display, Seattle Parks and Recreation and the Associated Recreation Council reserves the right to make the decision to suspend or expel a child based on the physical and emotional safety of the child, other program participants or staff who may be affected. In such circumstances, a child may be separated from the group for the rest of the day and parents may be called and asked to pick up their child immediately.

ABUSE PREVENTION

Seattle Parks and Recreation (SPR) and the Associated Recreation Council (ARC) adhere to stringent screening and hiring practices in order to safeguard the safety and well-being of the children in our programs. ARC also provides staff with required Child Abuse Reporting training on a regular basis.

MANDATED REPORTER

Washington State law (26.44 RCW) requires all persons who work or volunteer in a licensed childcare facility to immediately report suspected abuse to either a law enforcement agency or to **Child Protective Services**. Abuse may take the form of physical, sexual, emotional, child exploitation or neglect. Staff are not obligated to inform the family if a report or request for investigation is made to CPS. The Child Protective Services worker will notify the family of the referral. CPS has legal access to interview any child either inferred in an abuse case or who might be a witness to an abuse case. CPS may, or may not, inform you ahead of time of a pending interview with your child.

STAFF PROFESSIONALISM

ARC staff is trained to maintain professional boundaries at all times. In an effort to avoid any conflict of interest or performance, **ARC staff are not permitted to provide private childcare to program participants outside the school-age care program.**

MEDICAL INFORMATION

Parents must fill out a medication administration form and sign it for each medication that is to be received.

PRESCRIPTION MEDICATION

Any prescription medication to be administered to a child while in our care must be accompanied by written approval of a physician (prescription label is accepted as physician approval) along with written parental consent. All medication must be in its original container and properly labeled with the child's name, date the prescription was filled, or medication's expiration date and legible instructions for administration such as manufacturer's instructions or prescription label. Additionally, please

inform us of any and all medications the child takes while **not** in our care. In cases of emergency, this may be necessary information for first responders and medical staff. To capture this information, complete the *Medication Information and Treatment Authorization* form available in ePACT. This form should also be uploaded to your child's record in ePACT.

Medications for chronic conditions such as: asthma or allergies:

For chronic conditions (such as asthma): An individual care plan must be provided that lists symptoms or conditions under which the medication will be given.

Emergency supply of medication for chronic illness:

For medications taken at home, we ask for a three-day supply to be kept with our disaster kit in case of an earthquake or other disaster.

Staff administering medications will document the time, date and dosage of the medication given.

NON-PRESCRIPTION MEDICATION

The following medication can be given with written parental consent, only at the dose, duration and method of administration specified on the manufacturer's label, if medication has not expired, and if it is in its original container and will be stored on-site and administered by staff:

- Antihistamine
- Non-aspirin fever reducer/pain reliever
- Anti-itching ointment or lotion intended specifically to relieve itching
- Decongestant
- Sunscreen
- Non-narcotic cough suppressant
- Hand sanitizer

A physician's written authorization is required for non-prescription medication that is not included in the above list, medication that is to be taken differently than indicated on the manufacturer's label or medication that lacks labeled instructions.

All unused medication will be returned to parents/guardians or disposed of properly.

ILLNESS (including during program)

These guidelines are consistent with Public Health Seattle/King County. We ask that you adhere to the following guidelines.

Please keep at home any child with the following symptoms until resolved:

Please Note: Parents/guardians must have alternate plans for childcare. Children not well enough to participate in ALL activities, must not attend the program. If your child is sick, no refund will be issued.

If, while in our care, a child displays symptoms of illness and/or fever, the child will be isolated and kept comfortable while the parent/guardian is notified. If removal from the center is warranted, the parent/guardian will be contacted for immediate pick up of the child by the parent/guardian, an emergency contact, or authorized pick-up person. If the parent/guardian cannot be reached, emergency contacts and/or authorized pick-up persons will be called.

Following exclusion, children are readmitted to the program when they no longer have any symptoms and/or Public Health exclusion guidelines for childcare are met, including protocols for return to program when experiencing symptoms of COVID-19.

CONTAGIOUS DISEASE

Parents/guardians are to inform the program director immediately when their child contracts a contagious disease (including, but not limited to chicken pox, conjunctivitis, mumps, measles, viral infections and lice or is exposed to one. Our center will then post a general notice to alert other parents/guardians; no names will be used. Children being treated with antibiotics for a contagious disease may not return to our facility until she/he has been using the medication for a 48-hour period and/or until the danger of infecting others is over.

Incidents of contagious disease will be reported to the County Health Department at 206-296-4774. Staff will conduct lice checks periodically. To ensure the safety of ALL participants in our program, we require a doctor's note indicating that the child is no longer contagious, and it is safe for the child to return to the program.

LICE POLICY

If a child is found to have head lice while at the program, parents/guardians will be contacted and asked to pick up their child immediately. In the event of a lice breakout, all children will have their hair checked for nits by the staff and families will be notified of the outbreak. Children found with nits will be sent home with instructions for removal. Children will not be allowed to return to the program until they are nit free. Staff also will be checked. When lice are found, all rugs, couches, pillows, soft toys, etc. will be cleaned.

SUNSCREEN POLICY

Washington State Licensing Standards require that sunscreen be worn by all participants when exposed to sun for extended periods of time. It is the family's responsibility to provide, and apply, sunscreen prior to arriving to the program when there is sun exposure. During program hours, staff will provide opportunities for children to receive and reapply sunscreen at regular intervals. Please check with your director for additional instructions and to complete the *Sunscreen Authorization* form.

CONCUSSION INJURY PARENT/GUARDIAN INFORMATION

Washington State law (RCW 28A.600.190) requires all recreation and sports organizations to notify parents/guardians about the dangers of concussions and the importance of removing a child from play if they are suspected of a head injury.

Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. A concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull. Concussions can range from mild to severe and can disrupt the way the brain normally works. They can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles.

Continuing to play with a concussion or symptoms of head injury leaves the child or adolescent especially vulnerable to greater injury and even death. Therefore, it is important that a youth that is suspected of sustaining a concussion or head injury in a sport or recreational activity be removed from play immediately. The youth should not return to play until they have been evaluated by a licensed health care provider and has received written clearance to return to play.

Staff takes the following measures to ensure safety and prevent concussions or other head injuries:

- Participants are supervised and remain within visual or auditory range at all times.
- Staff are trained to recognize symptoms of a head injury (child appears dazed or stunned, seems confused, moves clumsily, loses consciousness-even briefly, shows personality or behavior changes, becomes nauseous or vomits, has double or blurred vision, or becomes dizzy).
- Participants are required to use helmets when they ride bikes or other “wheels” (no skateboards).
- Participants are reminded of the safety rules of the sport or recreation activity
- Parents/guardians are notified immediately in cases of suspected injury and appropriate medical treatment is sought.

HEALTH PRACTICES

NON-SMOKING POLICY

Smoking is prohibited in all programs, and no staff is allowed to smoke within visual range of participants.

CLEANING AND DISINFECTING

Our programs follow a cleaning schedule that meets Washington State Licensing and Public Health Department requirements. We use approved commercial cleaning products to clean and disinfect all surface areas. In addition to our daily cleaning schedule, our community center has a custodian who attends to all additional aspects of cleaning prior to the start of each day.

FOOD HANDLING PRACTICES

All staff who prepare children’s meals and/or snacks have valid Food Worker Permits. We follow all Public Health Department regulations.

HAND WASHING PRACTICES

Participants and staff wash hands upon arrival to program, after using restroom facilities, before preparing and eating meals and/or snacks, and before participating in cooking activities.

EMERGENCY RESPONSE PLAN

CHILDCARE HOTLINE

In the case of inclement weather or a natural emergency, such as snow or an earthquake, please call the Childcare Hotline to ensure that the program is operating on a regular schedule: **206-684-4203**.

INJURY PREVENTION

All equipment used by the program is inspected daily by staff to ensure safety. Any equipment deemed unsafe or dangerous for children will be reported and removed or participants will be informed that the unsafe area is off limits until repaired or replaced.

SERIOUS ILLNESS OR INJURY

In case of a serious illness or injury the following procedures will be followed:

- Administer immediate First Aid/CPR
- Contact 911
- Contact Parent or Emergency Contact
- File Accident/Medical report with the director, area operations supervisor and community center coordinator.

- DCYF Licensor will be notified.

FIRE AND EARTHQUAKE PLAN

Program staff conducts monthly fire drills and quarterly earthquake drills throughout the year. Participants are instructed what to do in the event of an emergency. Emergency evacuation plans are posted in the community center.

HEIGHTENED SECURITY AND LOCKDOWNS

In the event of a highly unsafe situation occurring in the neighborhood, the program may go into heightened security or lockdown. Heightened security means that we keep all children on-site and lock all outer doors. A lockdown means that in addition to keeping the children in the building, we will shut off all the lights and keep children in a better protected area until notified by the police that the situation has cleared. During a lockdown, no parent/guardian or staff may enter or leave the building.

COMPLAINTS AND GRIEVANCES

If you have a complaint, please request an appointment to have a conference with your program director to ensure that the situation is addressed properly. We request that families do not leave grievances on our voice mail nor attempt to discuss during program hours. We will do our best to address, and solve, each situation. If the complaint or grievance cannot be resolved with the director, you are encouraged to contact the Area Operations Supervisor (telephone numbers can be found at the end of the handbook).
