#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Associated Recreation Council Seattle, Washington

#### Opinion

We have audited the accompanying financial statements of Associated Recreation Council (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Associated Recreation Council as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Associated Recreation Council and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Recreation Council's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Amanda O'Rourke, CPA Matt Smith, CPA Claire Chow, CPA Jason Mallon, CPA Andrew Van Ness, CPA

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Recreation Council's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Recreation Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Greenwood Ohlund

Seattle, Washington May 21, 2025

## NOTES TO FINANCIAL STATEMENTS

### Note 1 – Nature of Activities and Summary of Significant Accounting Policies

#### Nature of Activities and Financial Statement Presentation

Associated Recreation Council (ARC) is an independent nonprofit corporation, the purpose of which is to benefit and support the City of Seattle Department of Parks and Recreation (the City) and its officially recognized Advisory Councils in providing public recreation programs at various parks and community centers throughout the City of Seattle. In 2024, ARC created a new council called the "Youth Advisory Council" whose members are all teenage youth who live in the City of Seattle. As of December 31, 2024, there were 37 Advisory Councils providing programs, classes, and activities. Support provided by ARC involves the collection, administration, and disbursement of funds for member Advisory Councils in connection with all programs, classes, and activities provided through the ARC system.

These financial statements include the assets, liabilities, revenue, and expenses of ARC and those of the Advisory Councils other than the assets and liabilities represented by the park and community center facility properties. Ownership of these properties remains with the City of Seattle. ARC also provides monetary support to the City (see Note 5).

ARC has an ongoing fundraising campaign (the Campaign) to support the construction of a boathouse at the Green Lake Small Craft Center. In 2023, ARC made an initial distribution to the City totaling \$1,300,000. During the year ended December 31, 2024, ARC made disbursements to the City totaling \$970,000 and construction was completed on the boathouse.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### Financial Statement Presentation

ARC reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Net assets without donor restrictions are available to support the general operations of ARC.

Net assets with donor restrictions consist of unexpended contributions restricted for particular programs or time periods. Contributions with donor restrictions that are met within the same reporting period are recognized as increases in net assets without donor restrictions. Net assets with donor restrictions are transferred to net assets without donor restrictions as expenditures are incurred for the restricted programs or as the time restrictions are met.

### THIS SPACE IS INTENTIONALLY LEFT BLANK.

## NOTES TO FINANCIAL STATEMENTS

Net assets with donor restrictions are available for the following purposes at December 31:

|  | <br>2024      | <br>2023        |
|--|---------------|-----------------|
| Mt. Baker equipment fund                     | \$<br>341,594 | \$<br>328,003   |
| Sharon Gowdey Memorial Fund special programs | 84,409        | 91,537          |
| Troops for Fitness program                   | 62,334        | 63,534          |
| Seal Sitters program fund                    | 46,753        | 45,790          |
| Montlake Family Fitness capital project      | 28,499        | 28,499          |
| Cascade Park                                 | 28,122        | 28,122          |
| Friends of Heron Habitat                     | 24,549        | 24,028          |
| Carkeek Park trails maintenance              | 21,162        | 21,162          |
| Annie's Playground, Meadowbrook              | 16,082        | 16,082          |
| Grand Army of the Republic                   | 10,867        | 11,679          |
| East African Meals program                   | 4,933         | 4,933           |
| Green Lake rowing scholarship fund           | 3,872         | 18,000          |
| Green Lake small craft capital project       | -             | 730,499         |
| Other programs and fiscal sponsorships       | <br>12,689    | <br>14,988      |
|  | \$<br>685,865 | \$<br>1,426,856 |

### Cash and Cash Equivalents

ARC considers all highly liquid investments with an original maturity of three months or less to be cash and cash equivalents. ARC occasionally has cash balances in excess of federally insured limits. ARC has not experienced any losses in these accounts, and management does not believe it is exposed to any significant credit risk.

#### Fair Value Measurements

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels that prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable market inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

## NOTES TO FINANCIAL STATEMENTS

#### Investments

Certificates of deposit are stated at cost plus accrued interest. Investments in mutual funds are reported at their fair value using quoted prices in active markets (Level 1 inputs) in the statements of financial position and consist of the following at December 31:

|  | <br>2024        | <br>2023        |
|--|-----------------|-----------------|
| Cash Equivalents                       | \$<br>50,458    | \$<br>4,469,307 |
| Certificates of Deposit                | 2,996,040       | 1,500,000       |
| Digital Asset Mutual Funds             | 95,490          | -               |
| Bond and Preferred Stock Mutual Funds  |                 |                 |
| Government bond funds                  | 2,404,573       | 512,785         |
| High-yield bond funds                  | 380,440         | 113,359         |
| Multisector bond funds                 | 375,380         | 599,308         |
| Intermediate-term bond funds           | 133,047         | 43,235          |
| Equity Mutual Funds                    |                 |                 |
| Large blend equity funds               | 370,351         | 70,763          |
| International large blend equity funds | 47,644          | 42,145          |
| Foreign large value equity funds       | 17,006          | -               |
| Small blend equity funds               | 16,808          | 28,819          |
| Foreign large growth equity funds      | 15,305          | 48,568          |
| Diversified emerging markets           | 13,508          | -               |
| Global real estate equity funds        | <br>12,185      | <br>12,416      |
|  | \$<br>6,928,235 | \$<br>7,440,705 |

Investment return or loss consists of interest and dividends, realized and unrealized gains or losses, net of external investment fees.

### Receivables

Class fees receivable consists of amounts due from the City, which manages the enrollment of classes and collects registration fees for classes in advance. Amounts due from the City relate to class fees collected by the City that have not been earned and are stated at the amount management expects to collect from outstanding balances. The unearned amounts recognized as being receivable are included in deferred revenue discussed below.

Management reviews the collectability of receivables on a periodic basis and determines the appropriate amount of an allowance for doubtful accounts, if any. ARC writes off receivables against the allowance when it is determined that a receivable is not collectible. Management believes all receivables are collectible at December 31, 2024 and 2023, and therefore, no allowance has been recognized.

## NOTES TO FINANCIAL STATEMENTS

Contributions and grants receivable (including Campaign contributions receivable) expected to be collected in one year are recorded at net realizable value. ARC assesses the need for an allowance on its contributions and grants receivable in the same manner as its class fees receivable. Management determined that an allowance was not necessary as of December 31, 2024 or 2023.

Contributions and grants receivable from the City represented 93% and 100% of total contributions and grants receivable at December 31, 2024 and 2023, respectively.

#### Leases

ARC determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets and lease liabilities in the statements of financial position.

ROU assets represent ARC's right to use an underlying asset for the lease term, and lease liabilities represent ARC's obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when they are reasonably certain to be exercised. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

ARC has elected to recognize payments for short-term leases with terms of 12 months or less as expense as incurred, and these leases are not included in ROU assets or lease liabilities on the statements of financial position. The individual lease contract does not provide information about the discount rate implicit in the lease. Therefore, ARC has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

ARC has elected not to separate non-lease components from lease components and instead accounts for each separate lease component and the non-lease component as a single lease component.

### **Revenue Recognition**

ARC's primary source of revenue is derived from class registration fees and participation fees for organized sports. Class fees and sports fees are recognized as revenue over time as the benefits of the services are transferred to the customer on a pro rata basis during the term of the class or sport season, which do not exceed one year. Revenue from retail sales, print shop proceeds, and other is recognized over time as the benefit of the services is transferred to the customer or at the point in time when the control of goods is transferred to the customer. There are no significant judgments that affect the determination of the amount and timing of recognition of revenue from contracts with customers. ARC does not incur costs to obtain contracts.

Class fees receivable represent amounts collected by the City from customers and payable to ARC for classes and/or sport seasons that are not complete. Contract liabilities include deferred revenue related to payments for class and sports participation fees received before the end of the year for classes and/or sport seasons that are not complete. Deferred revenue also includes unearned amounts recognized as being receivable.

### NOTES TO FINANCIAL STATEMENTS

Deferred revenue at December 31, 2022, recognized to revenue during the year ended December 31, 2023, was \$2,952,445. Deferred revenue at December 31, 2023, recognized to revenue during the year ended December 31, 2024, was \$3,120,617.

Contributions and grants (including those from government agencies, Campaign contributions, and those received at special events) are recorded when unconditionally pledged as with or without donor restrictions, depending on the existence and/or nature of any donor restrictions.

Revenue from government grants is subject to audit, which could result in adjustments to revenue. These adjustments are recorded at the time that such amounts can first be reasonably determined, normally upon notification by the government agency. No significant adjustments were made during the years ended December 31, 2024 and 2023.

As of December 31, 2024, ARC had conditional awards outstanding of approximately \$172,000, which ARC has yet to receive. These amounts are not recognized in these financial statements as they are conditional upon ARC performing certain measurables related to programs run by ARC.

Contributions and grants from the City represented 16% and 13% of total support and revenue during the years ended December 31, 2024 and 2023, respectively.

In addition, during the years ended December 31, 2024 and 2023, ARC met the conditions for and received \$962,845 and \$2,050,126, respectively, from the Internal Revenue Service under the Employee Retention Credit program. These amounts are included within revenue from contributions and grants in the statements of activities.

### Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Personnel costs are allocated based on employee hours, and all other expenses are allocated based on the employee head count of each cost center.

#### Income Taxes

ARC is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

#### **Reclassifications**

Certain prior year balances have been reclassified in order to conform to the current year presentation.

### Subsequent Events

ARC has evaluated subsequent events through the date these financial statements were available to be issued, which was May 21, 2025.

### NOTES TO FINANCIAL STATEMENTS

#### Note 2 – Liquidity and Availability of Resources

ARC strives to maintain liquid assets sufficient to cover 90 days of general expenditures. Financial assets in excess of daily cash needs are invested in open-end mutual funds. All investments are available for liquidation within three days of request.

Net assets with donor restrictions are deemed unavailable to meet the daily cash needs for general expenditures and have been reduced from financial assets available for general expenditures.

Financial assets available for general expenditure at December 31, 2024 and 2023, comprise the following:

|   | 2024             | 2023             |
|---|------------------|------------------|
| Financial assets  |                  |                  |
| Cash and cash equivalents                                   | \$<br>2,826,948  | \$<br>2,159,990  |
| Investments   | 6,928,235        | 7,440,705        |
| Class fees receivable                                       | 3,815,187        | 3,120,618        |
| Contributions and grants receivable                         | 503,097          | 1,050,067        |
| Campaign contributions receivable                           | -                | 13,982           |
| Other receivables   | <br>44,467       | <br>27,261       |
| Less: Amounts not available for general use within one year | 14,117,934       | 13,812,623       |
| Net assets with donor restrictions                          | <br>(685,865)    | <br>(1,426,856)  |
|   | \$<br>13,432,069 | \$<br>12,385,767 |

#### Note 3 – Operating Lease

In 2023, ARC began subleasing space from the City at the Elliot Bay Office Park under a noncancellable operating lease with a term through December 31, 2027. ROU assets obtained in exchange for new operating lease liabilities under this agreement totaled \$726,330 during the year ended December 31, 2023. Operating lease cost under this lease totaled \$175,551 and \$102,405 during the years ended December 31, 2024 and 2023, respectively, and is included in facility rental in the statements of functional expenses. Operating cash flows under this lease were \$170,072 and \$88,130 during the years ended December 31, 2024 and 2023, respectively.

A maturity analysis of future annual undiscounted cash flows for lease liability as of December 31, 2024, is as follows for the years ending December 31:

| 2025                           | \$<br>174,654 |
|--------------------------------|---------------|
| 2026                           | 179,226       |
| 2027                           | <br>183,800   |
|                                | 537,680       |
| Less: Imputed interest at 3.7% | <br>(28,294)  |
|                                | \$<br>509,386 |

### NOTES TO FINANCIAL STATEMENTS

The operating lease liability is presented as follows in the statements of financial position at December 31:

|   | <br>2024      | <br>2023      |
|---|---------------|---------------|
| Operating lease liability (a current liability) | \$<br>159,012 | \$<br>148,740 |
| Operating lease liability, less current portion | <br>350,374   | <br>509,386   |
|   | \$<br>509,386 | \$<br>658,126 |

#### Note 4 – Employee Benefit Plan

ARC has a 401(k) plan for employees who meet the eligibility requirements set forth in the plan. ARC matches a portion of employee contributions, which amounted to \$141,478 and \$116,566 in 2024 and 2023, respectively.

#### Note 5 – Annual Services Agreement with the City of Seattle Department of Parks and Recreation

ARC and the City operate under an Annual Services Agreement (the Agreement) that attempts to plan for and address biennial budget issues. The Agreement includes, but is not limited to, the following amounts paid to the City of Seattle:

- Participation Fee a fee of 4% of gross receipts (excluding grants and contributions) of all Advisory Councils excluding rowing and sailing is set by the Seattle City Council on users of Parks facilities for the benefit of the City. ARC collects and pays this fee to the City.
- Assistant Coordinators Wage Reimbursement the City will provide nine full-time Assistant Coordinators, and ARC will pay the related wages and taxes.
- Building Monitors Wage Reimbursement up to \$50,000 for wages and taxes related to Recreation Attendants serving as building monitors.
- Other includes support for capital improvements and project expenses, and general operational support.

All support paid to the City is included in various expense categories on the statements of functional expenses and totaled \$1,877,295 and \$1,571,346 for the years ended December 31, 2024 and 2023, respectively. At December 31, 2024 and 2023, ARC had balances payable to the City totaling \$1,119,818 and \$951,010, respectively, which are included in accounts payable and accrued expenses.

Additionally, during the years ended December 31, 2024 and 2023, ARC purchased vehicles, furniture and fixtures, and other long-lived assets totaling \$69,177 and \$344,820, respectively, which were immediately donated to the City. These amounts are included in equipment on the statements of functional expenses.
