

ARC IN ACTION

Welcome! We have some great news to share this month. In this edition, we'll tell you how to make an impactful year-end donation to ARC's first-ever ACT (A Community Together) campaign, and we celebrate Puget Sound Energy Foundation's generous contribution to our childcare programs.

Take advantage of tax benefits when you donate to the ACT Campaign!

Our ACT (A Community Together) Campaign ends Thursday, December 31 st, and supports ARC's vision for bringing together all people to build a healthy community. If you've already made your gift, please accept our heartfelt gratitude. If you haven't yet, here's your reminder!

Thanks to the CARES Act, there's another benefit to making your donation today. When you make your gift to ARC this year, you can deduct up to \$300 of your donation without having to itemize. <u>Click here</u> to make your donation, and thanks so much for your support.

You make a world of difference to the people we serve, and they appreciate you!

Donate Today!

Generous support from the Puget Sound Energy Foundation

We're honored to announce that the Puget Sound Energy Foundation awarded ARC a \$15,000 grant to support our childcare programs! In the award announcement, a PSE Foundation staff member wrote:

Puget Sound Energy **Foundation**

"I was not only inspired by the extent your programs have gone to ensure flexible childcare for essential workers and keeping your staff and children in your care safe, but also by the increased enrichment activities for school age children – it is so crucial and valuable!"

Thank you, PSE Foundation!

And finally, HAPPY HOLIDAYS!

Thank you for your steadfast support and partnership this year.

Here's to a safe and healthy 2021!

Until the new year, The ARC Team		LTO LOO
