### ARC CHILDCARE RECEIVES GENEROUS GIFT

A generous \$5,000 donation was made to support our childcare programs by Exxel Pacific, a successful construction company with a vast array of projects across Seattle, including a mixed-use property adjacent to the Rainier Community Center.

Giving back is a core value of this 32-year-old company that prides itself on building and sustaining community partnerships. ARC and Seattle Parks and Recreation are excited to be their partners in building community.
