Rec N' the Streets Receives Gift from Deacon Charitable Foundation

We're pleased to announce a \$5,000 grant has been awarded to Seattle Parks and Recreation's Rec N' the Streets by Deacon Charitable Foundation, the philanthropic arm of Deacon Construction Company, LLC. With offices in Seattle, Portland, and California, this successful company established a foundation that's mission is to improve the quality of life in the communities where their employees live and work. Rec N' the Streets is a mobile recreation program with a goal to increase participation and opportunities for physical activities, prioritizing neighborhoods and communities most afflicted by health disparities.

Fund the Fun Returns!

Save the date! Our Third Annual Fund the Fun breakfast will take place virtually on March 24, 2021 at 9 am. Details to follow later in the year. If you'd like to join us as a virtual table captain or a corporate sponsor, contact Robin Slutsky at robin.slutsky@seattle.gov, or at 206.245.6524.

We appreciate your continued support. There's still a need to help fund childcare for our essential workers, first responders and families relying on scholarships. If you'd like to make a contribution, please click [here](#)
