

## ARC in Action

### A Note from our Executive Director

Hello Readers-

After a COVID hiatus, we're once again bringing back our ARC in Action newsletter. Each month we'll send you feel good stories and community engagement opportunities. It's good to be back, and thanks for wanting to stay in touch!

Jackie Jainga Hyllseth  
Executive Director

### Big Day of Play

Thousands of participants turned out for Seattle Parks and Recreation's 15th annual Big Day of Play on Saturday, August 20th. Visitors of all ages enjoyed music and dance performances, face painting, bouncy houses, and sports of all kinds. They also learned about valuable community resources to help them live healthier and more productive lives.

A big shout out to our sponsors who helped bring this annual celebration to the community. Thank you Seattle Children's and Odessa Brown Children's Clinic, Washington State Charter Schools Association, BECU, Community Health Plan of Washington, Rotary Club of Seattle International District, International Community Health Services, Seattle Mariners, Seattle Seahawks, and Seattle Kraken. We hope you'll join us again next year!

## 2023 Sponsorship Opportunities

Partner with us and build community throughout the city! We're about to publish our 2023 sponsorship catalog showcasing ARC and Seattle Parks and Recreation's special events and programs for the coming year. Show your support, build good will, and positively engage with your community. From Juneteenth celebrations to luminary walks around Green Lake, there's an opportunity for every business to engage.

Contact Robin Slutsky at 206-245-6524 or at [robin.slutsky@seattle.gov](mailto:robin.slutsky@seattle.gov) to review a copy of this popular annual catalog.
