

# ARC in Action

## ARC 2021 Impact Report

We're honored to share **ARC's 2021 Annual Impact Report** with you. As we start emerging from the pandemic and enjoy opportunities to once again be together in community, we'd also like to celebrate another year of our work and mission. The year wasn't always easy, for our community or our staff, but we rallied together despite the obstacles and kept looking forward to the future.

Thank you for supporting our work; having you in our corner means the world to us.

### A Note From Our Executive Director

Hello Reader-  
ARC's Board is expanding!  
This is an extraordinary opportunity for an individual who is passionate about building community through youth development, sports, and recreation. **Reach out to Sonia Doughty** to learn more.

Jackie Jainga Hyllseth  
Executive Director
