

ARC in Action

**GIVING
TUESDAY**

"When we give cheerfully and accept gratefully, everyone is blessed."

Maya Angelou

Giving Tuesday is a Movement that Unleashes the Power of Radical Generosity.

Join us in the Movement with your donation today.

We hope you had a wonderful Thanksgiving celebration. After two COVID holidays, maybe you finally gathered friends and family to celebrate. Whatever way you spent the holiday, we hope gratitude, both given and received, was part of it.

Our 3rd annual ACT Fundraising Campaign is now in full swing, and today is Giving Tuesday! Like last year, we're raising much-needed funds for our childcare programs that are so critical to the well being of our community and the kids we serve.

This Giving Tuesday, take a moment to embrace the true meaning of this holiday season, and [make a gift](#) to support ARC's childcare programs. After Black Friday and Cyber Monday, sharing your generosity with others might feel pretty good!

Thanks in advance for your support; we're all in this together!

A Note from Our Executive Director

Hello Reader,

Giving Tuesday has become such a wonderful holiday tradition. Whether it inspires you to volunteer, help a neighbor, or give some of what you have to those who need our help, every act of generosity counts.

I hope you'll consider sharing your generosity with us today; it would mean the world to us.

Thank you.

Jackie Jainga-Hyllseth
