

ARC in Action

The New Year Is Almost Here. Time For One Last Good Deed.

Dear Reader,

We hope you're enjoying the holiday season so far! It's the final week of the countdown to 2023, and it's the final week for our ACT Campaign too. We've got a goal of \$10,000, and with your help, we'll reach that.

As of today, generous people like you have donated \$8,125 to celebrate and support our childcare programs and teachers. The childcare industry is fragile right now, and **your gift will ensure ARC continues providing our high-quality childcare programs to serve all families who need us.**

Thanks for including us in your end-of-year giving. **Our childcare staff are so grateful for the outpouring of support so far!** Every donation makes an impact, so give what's meaningful to you.

With gratitude,
The ARC Team
