# OVERVIEW OF PRESCHOOL PROGRAMS

## WELCOME

Thank you for choosing our Preschool Program! Seattle Parks and Recreation (SPR), in partnership with the Associated Recreation Council (ARC), is delighted to serve you and your child during these formative early years of growth and development. We provide a hands-on, child-centered, safe and healthy environment that includes fun and age-appropriate learning activities.

We serve children ages 3 through 5 years of age, with a low-teacher child ratio of 1:8. Our staff is trained in Early Childhood curriculum, CPR/First Aid, and safe food handling practices. Children must be fully toilet trained to participate in the program (no diapers or pull-ups permitted).

Our Preschool Program meets the developmental needs of young children, focusing on emotional, social, physical, and cognitive skills. Classrooms are set up with rich environments, fun-filled learning areas, consistent schedules and routines, and both large and small group times.

Most preschools programs offer a Summer Camp experience. These camps are offered in weekly sessions (excluding holidays). They operate as part time five day/week camps (not full time). Weekly themes are available at the front desk of the community center.

As a parent or guardian, you play an important role in helping to ensure your child has a positive experience in our program. Please read this Family Handbook so you are aware of our policies and procedures. There is a tear-out page at the back of the Family Handbook to sign and return to your Director. Please keep this Family Handbook accessible for future reference. Thank you!

## CREATIVE CURRICULUM

Our Preschool Program is based on the *Creative Curriculum for Preschool* from Teaching Strategies. Children attending at least three days a week will be observed and assessed in four developmental areas: **Social Emotional, Physical Development, Cognitive Development and Language Development**. *Creative Curriculum* is a research-based curriculum that has been used to implement developmentally appropriate preschool programs for over 30 years. *Creative Curriculum* promotes rich and creative learning opportunities in all developmental areas. These activities and teaching methods enable every child to become confident, enthusiastic and creative learners.

Each classroom will be set up with the following interest areas:

- **Blocks** - where children develop small muscle coordination, learn about sizes, shapes, numbers, order, patterns, learn how to work together and exchange ideas and viewpoints.
- **Dramatic Play**- where children deepen their understanding of the world by engaging with others as they recreate life experiences, learn to cooperate with their peers, share ideas and solve problems.
- **Toys and Games** – where children practice eye-hand coordination, counting, make puzzles, do matching games, learn to take turns and develop confidence in completing a task successfully.
- **Art** – where children create, explore materials, express themselves and their feelings, develop fine motor skills, and convey their individuality and originality.
- **Library** – where children can relax and have quiet time looking at picture books, learning about different people and places, learn pre-reading skills such as left to right eye coordination, understanding symbols, develop listening skills, and use small muscles for writing and illustrating.

# PROGRAM PHILOSOPHY AND GOALS

## SEATTLE PARKS AND RECREATION AND THE ASSOCIATED RECREATION COUNCIL PARTNERSHIP

Within the City of Seattle a special working relationship is maintained through a Memorandum of Agreement between Seattle Parks and Recreation (SPR) and the Associated Recreation Council (ARC) and its advisory councils. ARC is an independently incorporated, 501(c) (3) nonprofit organization. It is comprised of a 15-member volunteer board of directors made up of advisory council representatives and at-large members. Currently, there are 36 advisory councils sharing the common purpose with SPR of providing community supported quality programs and services.

## SEATTLE PARKS AND RECREATION MISSION STATEMENT

Seattle Parks and Recreation provides welcoming and safe opportunities to play, learn, contemplate and build community, and promotes responsible stewardship of the land. We promote healthy people, a healthy environment, and strong communities.

## ASSOCIATED RECREATION COUNCIL MISSION, VISION, AND VALUES STATEMENTS

**Vision:** Bringing together all people to build a healthy community.

**Values:**

- **Community Engagement and Participation:** An engaged community makes our neighborhoods healthier places to live, work, and play.
- **Equitable Access:** Access to equitable, dynamic, culturally relevant, and responsive recreation and lifelong learning opportunities for all.
- **Mutual Respect:** Interaction between community and dedicated, diverse caring staff and volunteers based on mutual respect.
- **Community:** A fair, safe, and welcoming environment where people have a sense of belonging and opportunities to come together to recreate, socialize, and learn.
- **Accountability:** Integrity and transparency of decisions affecting programs, finance, and people.
- **Commitment to Race and Social Justice:** By recognizing the dignity of each individual and by reducing the barriers of systemic oppression, we are committed to equity, fairness, impartiality, and social justice.

## VISION OF PRESCHOOL PROGRAMS

To provide children ages 3-5 with a safe developmentally appropriate learning environment that includes fun, active, engaging experiences that develop a love of learning.

## ARC ANTI-BIAS STATEMENT

ARC recognizes and honors diversity of all kinds. This includes race, ethnic back-ground, religion, gender and gender identity, age, sexual orientation, and differing physical conditions. We strive to be culturally sensitive, create welcoming environments where families and children see themselves represented, and adopt policies and procedures that foster equity and inclusion. Anti-bias education is a commitment to respect and embrace differences and to actively challenge bias, stereotypes and unfairness.

# **ANTI-DISCRIMINATION POLICIES**

## **ANTI-DISCRIMINATION POLICY**

As a matter of policy, law and commitment, no person will be excluded from, nor discriminated against, on the basis of race, color, marital status, sexual orientation, gender identity, economics, political ideology, age, creed, religion, ancestry, national origin, or presence of sensory, mental or physical handicap (Seattle Municipal Code).

## **AMERICANS WITH DISABILITIES ACT (A.D.A.)**

*If you believe you have been discriminated against based on the above listed criteria, you may file a complaint with:*

Washington State Dept. of Social & Health Services  
Office for Equal Opportunity  
Civil Rights Compliance Section  
PO Box 45839  
Olympia. WA 98504-5839

## **ANTI-HARASSMENT POLICY**

Families, community center staff and Preschool staff are expected to respect the rights of everyone at the program by:

Complaints about alleged discrimination or harassment will be reported to supervisors for immediate investigation and resolution.

## **EXEMPT STATUS**

However, we meet or exceed the child care licensing standards. Staff is trained in First Aid, CPR, food handling, and Early Childhood Development. Background checks are required for each staff person. Our low teacher-child ratios of 1:8 exceed licensing standards and enable us to better meet the needs of each child.

## EXPLANATION OF FEES FOR THE SCHOOL-YEAR

Each preschool program has a different fee, based on the number of hours (3 or 3.5 hours each day) and the hourly rate. The hourly rate is multiplied by the total program hours between September and June and then divided by 10 months to get an average monthly fee. This standard fee is paid each month, whether there are 14 program days in the month or 22 program days in the month. **Preschool Programs do not operate during the Seattle Public School Winter, Mid-Winter, and Spring Breaks.** For actual costs, please see site specific information in the back pages of this handbook or check with the community center for more details.

- A one-time \$25 deposit for the school year will ensure a space in the program.
  - Deposits are non-refundable. The deposit may be transferable to a different program within the same facility (the request must be made at least one week prior to the first day of the program).
  - Balances for September programs are due on August 1 (or the next business day).
  - Balance of fees for all other school year months is due by the 25<sup>th</sup> of the preceding month.
  - Service is not provided if full payment is not made by the first program day of the month. No participant may attend the program until fees are paid in full.
  - Program fees include all supplies. **Pro-rating:** Fees can be prorated if the start date occurs after the first two weeks of the INITIAL enrollment month (new, first time participant only) or if service is terminated within the first week of the month (30 day written notice is required) AND the slot can be filled from the wait list.
1. **A sibling discount** will be offered for full-time participants from a single family in Preschool Programs. The discount is \$15/per additional child/per program/per month. The first child is charged the full amount, and the second child in a family would each be charged \$15 less.
  2. **Programming on City holidays** is NOT included and will NOT be offered. The monthly fee does not change due to holidays.
  3. **Drop-in** attendance is NOT allowed.
  4. If your child is **sick or absent**, we are unable to give you a refund or pro-rate your fee. Since we reserve a place for your child each day, our teachers are required to work even if your child is absent.
  5. Some sites offer **Priority Registration** for those families already enrolled in their program. Please check with your Director or community center staff for more information about your site.
  6. Absences will not warrant prorates or refunds.

**Preschool Summer Camp Costs:** Costs, program hours, and number of weekly sessions are different at each Community Center.

- A \$15 deposit is required for each weekly session in the Summer
- Balances for summer sessions are due 2 weeks prior to the weekly session

## **PAYMENTS**

Payments are taken during the operating hours of each community center. The community center can accept cash, check, debit, or credit card payments. You may also make payments over the phone.

- Make checks payable to: CITY OF SEATTLE.
- We recommend that parents and/or guardians save their receipts for tax or accounting purposes. The community center may not always be able to print out back receipts.

# **PRESCHOOL PROGRAM POLICIES AND PROCEDURES**

Participants must follow the sign-in/sign-out procedure implemented in SPR/ARC Preschool programs.

## **SIGN-IN AND SIGN-OUT PROCEDURES**

- Parents or an authorized representative sign their child in on arrival and sign their child out when leaving daily.
- Signatures should include full first and full last name and not be just initials.
- Children will be released only to those individuals authorized by parent/guardian on the E-13. Parents are encouraged to add to the E-13, the name of any and all individuals who may bring or pick up a child, even under unusual circumstances.
- All authorized individuals must be 14 years or older. When the authorized individuals are under the age of 18, the parent is responsible for assessing the responsibility level and emotional maturity of the authorized person. Additional consideration should be given to the safety of the route to be taken home and whether the younger child listens well and follows directions. Should supervision or safety of the child become an issue, the Parks and Preschool staff will meet with the parent to determine the appropriateness of the authorized individual.
- Authorized persons over 18 years old, must produce a valid picture ID.
- If a one-time exception is made, the parent/guardian needs to provide written permission. Any time a parent/guardian signature is in question, the parent/guardian must be called for verification.

*Please see the director to add or delete individuals from the pick-up authorization list.*

## **REPORTING LATENESS/ABSENCES**

## **NON-RELIGIOUS INSTRUCTION**

SPR/ARC programs celebrate our diversity of cultures and their non-religious traditions. No religious content is included.

## **COMPLAINTS AND GRIEVANCES**

If you have a complaint or grievance, please request an appointment to have a conference with your Preschool Director to ensure that the situation is addressed properly. We request that families do not leave grievances on our voice mail or attempt to discuss it during program hours. We will do our best to address and solve each situation. If the complaint or grievance cannot be resolved with the director, you are encouraged to contact the Preschool Program Supervisor (telephone numbers can be found at the end of this handbook).

## **NO TOLERANCE POLICY**

In accordance with the Seattle School District's 'No Tolerance' policy - toy guns, weapons, and fireworks are not permitted.

## **PROGRAM INFORMATION**

### **PARENT AND STAFF COMMUNICATION**

Preschool staff will attempt to give daily feedback to parents regarding their child's day at preschool. In turn, it is helpful if parents inform the staff if there is anything at home which may affect the child at preschool (such as a visit from a grandparent, illness in the family, a restless night, etc.). We ask that if you have any concerns about something that has happened at preschool, please let the director or teacher know as soon as possible so we can schedule a time to meet and discuss the issue. In order to maintain confidentiality, we ask that you discuss private matters outside the classroom.

### **LUNCH AND SNACK**

The serving of lunch and snack are determined by programming and vary from site to site. In some cases, parents/guardians may be required to provide lunch and/or snack. Most sites do not have the ability to heat or refrigerate food. Check with your program director for specific information. Please note: all our programs are nut free zones.

### **PRESCHOOL POLICY REGARDING TOILET TRAINING**

All children must be self-toileting (no diapers or pull-ups) before they enroll in the preschool program. We do not have the proper facilities or staffing required to change diapers or pull-ups. All children must wear 'big kid' underwear. We understand that even under the best circumstances, accidents occur. If an accident does happen, we help the child get dry and comfortable again. We ask the children to do as much as possible with the changing process. To facilitate this, all children must have an extra set of clothes, underwear and socks at preschool.

### **FAMILY INVOLVEMENT**

There are many ways that you can become involved in your child's preschool program experience:

- Come to the preschool program and share a special skill you have with the children (music, art, cooking, tutoring children in academic subjects, etc.).
- Donate to your preschool program (tax-deductible).
- Ask for our current wish list!
- We welcome any and all suggestions for improvement.
- Volunteer your time – preparing games, building a container garden or worm bin, drama or storytelling, and so much more.
- Please speak with your Preschool Director who will schedule time for you to share your talents and contributions.

### **APPROPRIATE DRESS**

Your child should dress in clothing that allows for them to be successful while at the preschool program. Children need sturdy shoes, and sandals must have straps in the back (no flip flops). Also, provide your child with appropriate outerwear that allows for outdoor play. Your child should have a complete change of clothing (include socks) to be kept at preschool. The best method of storing these items is in a gallon-size zip-lock bag. Please make sure to label all clothing with the child's name.

## **TOYS AND VALUABLES**

Please do not allow your child to bring toys and/or valuables to preschool, unless there is a specified 'Show and Tell' day scheduled by the teacher or the item is related to the weekly theme. Staff cannot be responsible to lost or stolen items.

## **BIRTHDAYS**

Birthday celebrations are important to children and they enjoy sharing the experience with their friends at preschool. Everyone is welcome to have a birthday celebration if they wish (even summer birthdays). Please notify your Director if you plan to provide a special snack for your child's birthday. Only commercially prepared foods may be served according to public health recommendations. If you are planning a birthday party outside of preschool, and sending out invitations, please do so outside of preschool - unless all children are being invited to attend the celebration.

## **PARENT TEACHER CONFERENCES**

During the school-year, parents will be invited to participate in two conferences a year. These conferences are optional, but parents are encouraged to participate. Directors and teachers will collect drawings and other items throughout the year and will share developmental milestones and other highlights of your child's preschool experiences with you during the conferences.

## **FIELD TRIPS**

Preschool programs will plan a variety of outings, including walking trips to the local library, parks, and playgrounds. Each walking trip will be supervised by two staff and maintain a 1:5 adult/child ratio. Preschool programs may take one or two field trips each school year. These will be on a school bus leased from Durham. Parents will be informed of all field trip dates, times and locations in advance. Parent volunteers are welcome! No additional fees will be charged to enrolled children for field trips; however, parents are responsible for their own expenses and those of any siblings who may join them. A 1:3 adult/child ratio will be maintained on these field trips.

## **SAFETY RULES**

Our goal is to provide a safe, happy, healthy learning environment for your child. To ensure the success of our program, we have some basic rules to go by. Please review them with your child:

1. Have fun!
2. We stay in the classroom at all times. We only leave the classroom with our teachers or families.
3. We use walking feet inside.
4. We keep our shoes on at school so that our feet are safe.
5. We use inside voices when in the classroom.
6. We can use running feet outside and in the gym.
7. We share the toys and games.
8. We take turns with our friends and may have to wait until they are done.
9. We listen to our teachers and to each other.
10. We sing and dance and play and we are happy!

# BEHAVIOR MANAGEMENT AND GUIDANCE

We strive to meet the growing needs of all children by providing a safe space with appropriate guidelines and boundaries designed to support the safety of all our participants.

The preschool program uses indirect ways to guide children:

- We provide clear rules and expectations
- We give choices
- We maintain a regular routine.
- We provide a fun, busy activity schedule.

We give a 2-minute correction for each negative behavior and desirable behavior is recognized and rewarded. Behavior followed by a positive consequence is more likely to result in continued positive behavior.

Further action would be needed if a child were to do one of the following:

- Hurt another child, either physically or verbally
- Hurt himself/herself
- Destroy (non-disposable) property.
- Creating a one on one extended situation with staff, which takes them out of their 1:8 ratio.

## COMMUNICATION WITH PARENTS

Staff will regularly check in with parents about their child's engagement, interest, and progress in the program through verbal or written communication. Staff will work to support each child in developing their abilities, talents, skills and academic work.

ARC uses two forms of written documentation to communicate with parents:

1. **Occurrence Form.** Used to communicate any injuries or minor behavior concerns.
2. **Behavior Notification.** Used to indicate serious/inappropriate behaviors.

A positive behavior reinforcement system will be utilized to promote appropriate behavior. When necessary, this may also come in the form of a Behavior Support Plan.

## GUIDANCE AND DISCIPLINE

As a partner in your child's success, we encourage you to share information with us that may affect your child's behavior. We are committed to working with you in the best interest of your child and the rest of the participants in our care. We do not use or endorse any form of corporal punishment by anyone (including family members). We also do not condone any means of inflicting physical pain such as biting, jerking, shaking, spanking, slapping, hitting, kicking, or any other measures.

In order to accomplish this, children, parents, and staff will all be aware of the program rules and behavior expected. We are confident this practice will minimize the need for disciplinary actions.

Should disruptions occur, staff will act as the facilitator and use the following procedures:

- Staff will communicate with the child in an effort to identify the problem and possible solutions.
- The child may be redirected to a new activity for a cool down period.
- If the situation persists the parent may be called for immediate pick up.
- If the situation becomes unsafe, a parent meeting will be conducted with the parent or guardian, the on-site Director, and the Special Populations Supervisor.
- Depending on the situation a Behavior Support Plan may be implemented for the child.
- Upon continued occurrences, a follow-up parent meeting will be held to review results of Behavior Support Plan and any additional next steps.

## WITH REGARD TO FIELD TRIPS

On rare occasions and/or due to repetitive misbehavior, if staff deems that a child's conduct may seriously endanger his or her safety, or the safety of others, the parent or guardian will be notified and the child will not be able to participate in the planned activity.

## **PHYSICAL RESTRAINT POLICY**

Most situations can be diffused without the use of physical restraint. Physical restraint is the last resort and will be used only if the child is posing a serious threat to him/herself or others. Staff will do everything possible to de-escalate the situation, including: using a soothing quiet voice, moving away from the child, removing the child from the situation, and validating the child's feelings. Parents will be notified immediately in the event that physical restraint was necessary.

## **ABUSE PREVENTION**

### **MANDATED REPORTER**

Washington State law, 26.44 RCW, requires all persons who work or volunteer with children to report immediately suspected abuse to either a law enforcement agency or **Child Protective Services**. Abuse may take the form of physical, sexual, emotional, child exploitation or neglect.

### **STAFF PROFESSIONALISM**

ARC staff is trained to maintain professional boundaries at all times. In an effort to avoid any conflict of interest or performance, **ARC staff are not permitted to provide private child care to program participants outside the Preschool Program.**

## **MEDICAL INFORMATION**

### **ILLNESS**

These guidelines are consistent with the Seattle-King County Department of Public Health's Child Day Care Health Handbook. We ask that you adhere to the following guidelines.

**Please keep at home any child with the following symptoms:**

- Fever of at least 101 degrees F taken orally.
- Diarrhea, more than one loose stool per day
- Vomiting, twice or more in the past 24 hours
- Rash, any not associated with heat or allergic reaction
- Drainage from the eye, redness of eyelid lining, swelling and discharge of pus
- Sore throat: especially with fever and swollen glands
- Head lice, nits, or scabies
- Appearance/Behavior: Unusually tired, lack of appetite, irritable, unable to participate in program
- Open sores, unless properly covered and 24 hours have passed since starting antibiotic

**Staff members will follow the same exclusion criteria as children.**

### **PRESCRIPTION MEDICATION**

We ask that you give any prescribed medication to your child before they attend the preschool program or when you have picked them up. This allows our staff to concentrate on the curriculum and children.

When prescription medication must be administered to a child during preschool hours, we require a written signature from both the parents and a physician. All medication must be in its original container and properly labeled with the child's name, date the prescription was filled or medication's expiration date and legible instructions for administration such as manufacturer's instructions or prescription label. Additionally, please inform us of any and all medications the child may take while **not** in our care. In cases of emergency, this may be necessary information for first responders and medical staff.

- Medications for chronic conditions such as asthma or allergies  
For chronic conditions (such as asthma): An individual care plan must be provided that lists symptoms or conditions under which the medication will be given.
- Emergency supply of medication for chronic illness:  
For medications taken at home, we ask for a three-day supply which will be kept with our disaster kit in case of an earthquake or other disaster.
- Staff administering medications will document the time, date and dosage of the medication given.

*Please Note:* Children not well enough to participate in ALL activities must not attend on that day.

## **LICE POLICY**

If a child is found to have head lice while at the preschool program, parents will be contacted and asked to pick up their child immediately. Because lice are considered contagious, we must look after the best interests of all children attending our programs. In the event of a lice breakout, all children will have their hair checked for nits by the staff. Children found with nits will be sent home with instructions for removal. Children will not be allowed to return to the preschool program until they are nit-free. When lice are found, all rugs, couches, pillows, soft toys, etc. will be cleaned. Lice outbreaks can be an unpleasant experience for all involved, so it is important that we have your cooperation in this matter. The families of all preschool program participants will be informed of a lice outbreak in writing.

## **SUNSCREEN POLICY**

We ask parents to apply sunscreen to their children before bringing them to the preschool program, when there is the possibility of sun exposure. Parent permission to reapply sunscreen is on the E-13.

# **EMERGENCY RESPONSE PLAN**

## **CHILD CARE HOTLINE**

In the case of a natural emergency, such as an earthquake, please call the Child Care Hotline to ensure that the preschool program is operating on a regular schedule: **206-684-4203**.

## **SERIOUS ILLNESS OR INJURY**

In case of a serious illness or injury the following procedures will be followed:

- Administer immediate First Aid/CPR
- Contact 911
- Contact Parent or Emergency Contact
- File Accident/Medical report with the Preschool Director, Field Supervisor & Community Center Coordinator.

## **FIRE AND EARTHQUAKE DRILLS**

Program staff conducts monthly fire drills and quarterly earthquake drills throughout the year. Participants are instructed what to do in the event of an emergency. Emergency evacuation plans are posted in the community center.

Earthquake drills – During an earthquake drill, staff alerts the participants of the drill by using a certain notification system and yelling earthquake. Participants then practice responding to an earthquake by:

- Dropping to the ground.
- Taking cover under a sturdy table or other piece of furniture then kneel and bend their head close to their knees, holding on to the table leg or desk (a few inches above the ground to avoid pinching fingers) and cover their eyes with their other hand. If their "shelter" moves, move with it.
- Staying in place until staff state that the shaking has stopped.
- Students then line up quietly at the closest emergency exit.
- Exit the building, follow staff to a location away from the building and other potential hazards, and stay in line until staff completes a headcount.

Fire drills – During a fire drill, staff alerts the participants of the drill pressing the button on the fire alarm used for drills. Participants then practice how to respond in a fire by:

- Students lining up quietly and quickly at the closest emergency exit.
- Exit the building, follow staff to a location far enough to be safe in the event of a fire, and stay in line until staff completes a headcount.

## **LOCKDOWN**

In the event of a highly unsafe situation occurring in the neighborhood, the program may go into heightened security or lockdown. Heightened security means that we keep all children on-site and lock all outer doors. A lockdown means that in addition to keeping the children in the building, we will shut off all the lights and keep children in a better protected area until notified by the police that the situation has cleared. During a lockdown, no parent or staff may enter or leave the building.

If a lockdown occurs, which prevents parents from dropping off or picking up their child at a facility, the Childcare Hotline will have information about when the lockdown is lifted and/or alternative instructions on where to gather until it is safe to return to the childcare location. The Childcare Hotline number is 206-684-4203.

In the event of an emergency preventing a parent or any emergency contacts to pick up a child, we will do our best to ensure your child's needs are cared for. This includes feeding your child, and in the event of an extreme situation, setting up overnight shelter in the childcare location and providing qualified staff to stay with your child until you or an emergency contact can arrive to take custody of your child.
