***There are no after school classes on holidays, no school days, or early dismissal days at the Elementary School. These "No Class" days are figured into the price of each class.**

How to Register

All students must turn in, or have on file, a completed E-13 Participant Information and Authorization form to register for class. Once completed, E-13 forms are good for one school year. Though classes are held at the school, all paper work must be turned in to Ravenna-Eckstein Community Center, where you can receive more information about classes, registration, and scholarships.

FIRST CHOICE

Check out Seattle Parks and Recreation's new online registration software at bit.ly/spr_registration_account. Sign in or create an account if this is your first time registering for classes with the new software. Once you are logged in you can choose your programs and pay online.

SECOND CHOICE

Find your local recreation center at: seattle.gov/parks/centers.asp and stop by to register for programs and meet the staff. Take a peek at the recreation center and the program space. Staff welcomes face-to-face interaction! Please note hours of operation, as they vary across recreation centers.

THIRD CHOICE

Call your local recreation center during their hours of operation at the phone number listed at: seattle.gov/parks/centers.asp. All staff can assist you with registration during their operating hours listed on their home page linked from the above web address.

An additional \$5 insurance fee will be required when registering for all gymnastics, tumbling, or circus arts classes offered through Seattle Parks and Recreation. This non-refundable fee covers a child's participation in all gymnastics, tumbling, or circus arts classes for one year from the date of purchase. Please contact your local community center to purchase this insurance. **Note:** This insurance will only be utilized if expenses exceed your primary insurance coverage.

What You Need to Know

Registration and Payments:

Seattle Parks and Recreation launched new program Registration Software this Winter.

If you do not already have an account, follow the steps below to set up an account:

Step 1: Go to the www.seattle.gov/parks and click on Sign Up for Classes and Programs

Step 2: Click on 'Create Account'.

Step 3: Complete your information!

If you have any questions about creating a new account, please reach out to your local Community Center directly. Once you have an account, you may call **Ravenna-Eckstein Community Center**, stop by, or register and pay online. If you register online, please email the Program Administrator who your child's classroom teacher is and where your child will be going after class. Registration is open for all classes until the day prior to the start of class. Remember: All students need a Participant Information and Authorization E-13 form prior to participating in any after-school classes.

Scholarship:

To apply for a scholarship, complete and return a scholarship application to the community center. Applications can be found in **Ravenna-Eckstein Community Center**, or can be downloaded at bit.ly/sprscholarships. **Scholarship award and co-payment will be determined based on income qualification and fund availability.**

Refund Policy:

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class that is cancelled for any reason will receive a full refund.
- **DROPPING A PROGRAM BEFORE THE SECOND SESSION:** A participant may be issued a refund if he/she withdraws from a program, and notifies the program coordinator, prior to the second class session. The facility will retain the pro-rated class fee plus a service charge of 10% of the fee.
- **DROPPING A PROGRAM AFTER THE SECOND SESSION:** If a participant withdraws from a program after the second session of a series, no refund will be given.
- **CANCELLATION OF ONE SESSION:** In the event of an unplanned cancellation of a single session, that class will be rescheduled, and if it cannot be rescheduled, the participant will receive a refund.
- For full details of the Department's Refund Policy, please see Policy Number 060-P 7.16 under PROGRAM which can be found here: <http://www.seattle.gov/Documents/Departments/ParksAndRecreation/PoliciesPlanning/RefundPolicy.pdf>

OH NO! My class got cancelled!

Most classes require a minimum of 6 participants in order to be financially sustainable. We do our best to avoid cancelling classes. However, classes that do not meet minimum enrollment requirement are cancelled prior to their start date. We do prorate class fees to reflect late registration for classes that meet minimum enrollment requirement prior to their start dates.

PLEASE REGISTER EARLY!

Snack and Clothing:

The After School Enrichment Program will provide a snack for each student. Please send your children with clothing appropriate for their classes.

Behavior:

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would during the formal school day. If an instructor determines this is not the case the following steps will be taken:

- At the first incident, the Program Administrator will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the student will be removed from class.

The program is unable to issue a refund if the student is removed from a class due to a behavioral issue. Please discuss enrollment with your child to be sure they want to attend an after school class.

Picking up Your Child:

Your child must be picked up on time. Our program does not provide childcare after class is over and the playground is not supervised at that time. If your child is picked up late, you will be charged \$1/minute for every minute past your pick up time that you are late. Please call the **Program Administrator** if you are going to be late. Your student can only be picked up by persons listed on the E-13 form.

Absences/Changes:

Please contact the **Program Administrator** as soon as possible with any of the following:

1. Your student will not be attending class (but was at school).
2. Your student was absent from school and will not be attending the After School Program.

Questions/Concerns:

Once a class has begun, if you have any issues or concerns regarding a class, please contact the **Program Administrator**, or email the **Community Center Coordinator**. The **Program Administrator** will be on-site and available during program hours all quarter.

Inclement Weather and City Wide Emergencies:

Please call our CHILD CARE/ENRICHMENT HOTLINE: 206-684-4203, This is a 24-hour line giving information about program closures due to extreme weather or emergencies. It is updated each day by 6 a.m. and as needed.

Spring 2019 Class Session: 4/15-6/14

The **Wedgwood after-school** Enrichment program is run by Alki Community Center in partnership with the Associated Recreation Council. Please contact your Program Administrator if you have any program questions. Thank you!

Spring 2019 Class Descriptions A-Z

Art Around the World

The world is our canvas! Students learn to appreciate world cultures through art inspired by traditions from around the globe. Students will craft Adinkra sponge stamps from Ghana, Dancing Dragons from Vietnam, and more! Art and culture weave together to inspire curiosity in this educational and creative class. Program Provided by: ARC Staff

Anyone Can Be An Artist

A Fine Arts survey class for everyone! Subjects include painting, drawing, sculpture, collage, canvas, and portraits. This class provides a fun and safe space where students can express themselves using a variety of artistic styles. Program Provided by: Flint Crumpacker

Colossal Chemistry

Explore the world of chemistry through simple experiments using household items that change the state of matter and cause colossal reactions. Experiments will range from food based activities to natural chemical reactions found in nature. Program Provided by: ARC Staff

Comic Makers

Step into the world of fantasy and superheroes! In this class students explore the craft of comic book writing, imaginative drawing, story-telling, and creative art. No experience necessary. At the end of the quarter, each student will have their very own #1 comic issue. Program Provided by: Mox Stoermer

Crafting & Cardmaking

Engage your child's love of crafting! Students learn to make fun unique seasonal cards using a variety of crafting techniques. Our fun and engaging instructor will guide students as they explore crafting like never before. Program Provided by: ARC Staff

Creative Dance

Does your child like to show their moves on the dance floor? Here's their chance! This class will introduce Pop and Hip Hop styles in a fun inclusive way. Get ready for an upbeat class that encourages self-expression through movement, music, and rhythm. Program Provided by: Mary Silva

Drama

Come explore the Dramatic Arts with Wedgwood Drama Studio! This supportive and fun filled class is open to all Wedgwood students grades K-5. Through theater games and exercises, students will explore how actors use their bodies, voices and imaginations to tell stories and create characters. Whether you are new to the stage or consider yourself a veteran performer there will be something for everyone in this creative class. Program Provided by: Wedgwood Drama

Eco Arts & Crafts

Recycling has never been so fun! Turn clean recyclables into beautiful works of art! Students learn just how satisfying it can feel to repurpose unwanted materials into useful items for the home in this DIY, environmentally friendly, crafting class. Program Provided by: Mary Silva

Field Hockey

Join One on One Athletics this spring for the awesome sport of Floor Hockey! Participants will play a game every week while focusing on stick fundamentals, safety, offensive and defensive strategy, and having a great time exercising! Games will be played with soft rubber balls instead of hard pucks. Program Provided by: 1-on-1 Sports

Fun with Clay

Engage your child's creative mind with clay! Your student will have fun getting their hands dirty as they learn additive, subtractive, coil, and pinch methods to build objects and sculptures with clay. All levels welcome! Program Provided by: Eva Wright

Gym Games

Sprout ball, battleship, and color squad are a few of the games we will be using to teach the importance of physical activity and teamwork. This class will also provide your child with the opportunity to organize and lead a gym game of their own! Program Provided by: ARC Staff

Spring 2019 Class Descriptions A-Z

Indoor Soccer

GOAL! Our curriculum is filled with energetic and inclusive games that teach kids the basics of soccer while focusing on the importance of teamwork. We'll be dribbling, passing, shooting, and everything in between. Join us! Program Provided by: ARC Staff

Jewelry Making

Born to bling! This fun DIY class will teach students the basics of making simple earrings, stringing beads for bracelets and necklaces, making pendants, and crimping beads to finish off their custom designs. Program Provided by: ARC Staff

Kids Carpentry

Kids Carpentry is a hands-on toy building class designed to teach practical woodworking skills with an emphasis on the safe use of tools. Your child will develop a repertoire of practical skills that last a lifetime and construct fun projects that they will take home! Program Provided by: Kids Carpentry LLC

Magic the Gathering

Magic the Gathering will help improve your child's math and logic skills through the strategic playing of cards with different abilities. New and experienced players welcome. Bring your own deck or we can provide you with one to use. Program Provided by: ARC Staff

Math and Engineering

Exploration and application of math and design concepts through math puzzles and engineering problems. Activities may include cryptography, tangrams, competition math, and building kid-designed towers, bridges, and machines. Program Provided by: UW Professor Marjorie Olmstead

Nature Club

It's time to get outside! In the class students will focus on the beauty of the great outdoors. Through activities like scavenger hunts and safety skits your child will learn how to be safe while having fun in the wilderness. Program Provided by: Madeline Cooper

Paper Engineering

In this class, your child will bend, fold, and curl paper into different creative projects! Using a mixture of art and science, students will build paper mâché sculptures, create origami art, craft recycled paper, and explore other exciting projects that will teach them the many uses of paper! Program Provided by: Mox Stoermer

Photography

Does your child love to take pictures? Are they fascinated with your camera? Then it's time to learn about aperture, shutter speed, and lighting, and how they work together to create beautiful pictures. Students also learn to think intentionally and artistically to take great shots! Program Provided by: Shelly Oberman

Pokémon Club

Your child will be able to play the game they love, with the supervision and assistance of experienced instructors. Players of all levels are welcome. We will have cards for beginners. Program Provided by: Chris Jones

RC Power Functions

Students learn advanced engineering concepts (torque, gearing, levers, etc.) building remote controlled vehicles and contraptions using various LEGO® motors and Technic® parts. This is NOT a free play activity, but a class with actual lessons (regardless of how fun and crazy it is). Program Provided by: Robot U

Recess Games & Sports

It's RECESSSSSS!!! Using classic and invented games, this "class" promotes social emotional development through cooperation and play. Your child will burn off their extra energy and create stronger bonds with classmates. Program Provided by: ARC Staff

Scratch Arcade

Students program 10 different arcade style games with a LEGO® air in this introduction to programming class. Students 8 and up will recreate the most popular games in history such as Pong, Frogger, Snake and Tetris. All of which they can share and access anywhere with a free, safe Scratch account from MIT! Provided by Robot U.

Spring 2019 Class Descriptions A-Z

STEM Powered Girls

Women are underrepresented in STEM fields, and we can do something (fun!) about that by supporting your girls. In this class, we will work together, learn to challenge barriers, and explore exciting STEM activities. Your child will grow confidence taking on STEM challenges and by seeing themselves as future scientists and engineers. Program Provided by: Krista Galloway

Wedgwood Cooks

Let's get cooking! Your child will learn how to prepare, cut, combine ingredients to make delicious dishes while exploring new seasonings, flavors and cooking techniques. There will also be conversations about making healthier choices throughout the day. Program Provided by: Lorenzo Kettere

WEDO Robotics

Students learn programming and engineering building actual working robots with LEGO® WeDo®! Students will build and program simple robots that use a motor, sensors, and LEGO's® simple to use drag and drop programming software. While fun and sometimes crazy, this is NOT a free play activity, but a class with lessons. Provided by Robot U.

World of Machines

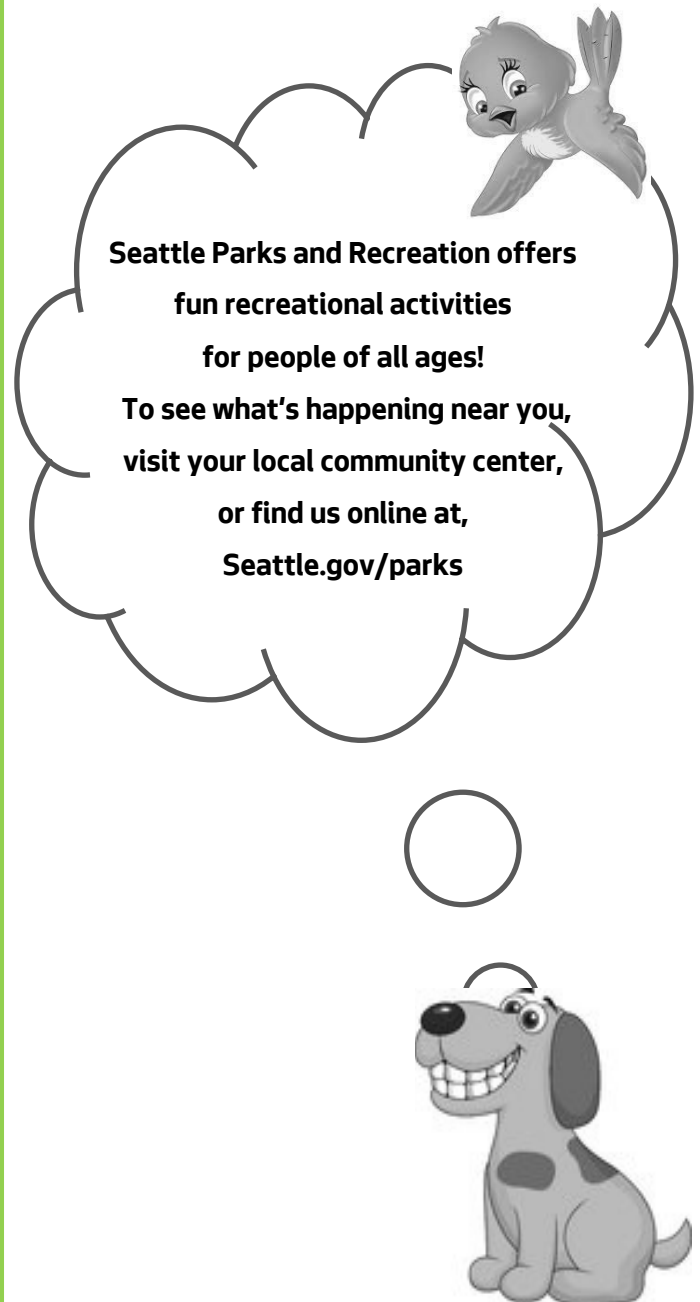

As your child masters the six simple machines using everyday tools, they will move up to building complex machines using Legos and household objects. They will be able to race and compete while using basic principles of physics. Program Provided by: Krista Galloway

Ultimate Frisbee

Ultimate Frisbee mixes elements from a variety of sports, and the simplicity of the rules makes it easy and fun for newcomers to pick-up. Your child will build and develop skills on the field, while learning in a fun teambuilding environment. Program Provided by: ARC Staff

YouTube Pro

Does your child want to grow up and become a "YouTuber", and what does that mean? This class will explore YouTube from all angles including, creating and managing a channel, monetizing accounts, analytics of pages, digital content creation, and channels with videos of their own. Program Provided by: Shelly Oberman

PARENTAL CONSENT, RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT

IN CONSIDERATION of my minor child ("the Minor") being permitted to participate in any way in the EVENT(S), I agree:

I know the nature of the EVENT(S) and the Minor's experience and capabilities, and believe the Minor to be qualified to participate in the Event(s). The Minor and I will inspect the premises, facilities, and equipment to be used or with which the Minor may come in contact to ensure it is safe to our satisfaction. I have spoken with the Minor about the dangers of the activities and the fact that the Minor could—for a variety of known, unknown, foreseeable and unforeseeable reasons, **including negligence** of the City of Seattle, its employees and volunteers, officers and agents—be seriously injured. In extreme cases, such injuries could include permanent disability, paralysis or even death ("risks"). Even understanding these risks I consent to the Minor's participation in the Event(s) and assert that the Minor is willing to participate in the event.

I accept and assume all risks, and assume all responsibility for the losses, costs and/or damages following an injury related to the Event(s), including disability, paralysis or death, even if caused in whole or in part by the negligence of the following releasees: the City of Seattle, its employees and volunteers, officers and agents. **My acceptance of these risks includes releasing and agreeing not to sue the releasees. I also agree to indemnify and save and hold harmless the releasees and each of them from any and all litigation expenses, attorney fees, loss, liability, damage, or cost they may incur due to a claim made against any of the releasees identified above based on an injury to the Minor, whether the claim is based on the negligence of the releasees or otherwise and whether the claim is made by me, is made on behalf of the minor, or is otherwise made.**
